#### **BECAUSE YOU GAVE...**

I would like to express my utmost gratitude for your scholarship support. The funds allotted will greatly help me toward achieving my goal of becoming a physician. Since my first year, I've been very involved in the TTUHSC SOM community along with my coursework, and your support allows me to focus more on my studies, and less on how to pay for my education.

#### **WITH YOUR SUPPORT, I CAN...**

As an MD candidate who will complete the joint MD/MBA program, continued scholarship support will assist me in the pursuit of my medical studies and lessen my growing loan burden. I am incredibly grateful for the support I receive, and I plan to pay it forward one day. Fourth year is an expensive year with away rotations, residency applications, and interviews so any additional help in the residency process is greatly appreciated.

#### **WHY I CHOSE TTUHSC...**

TTUHSC SOM is a place where students learn the intricate aspects of patient care along with the ability to make the most of whatever one wants to do in medicine. I am personally living through the promise that TTUHSC provides to its students and its expansive West Texas community.
