#### **BECAUSE YOU GAVE...**

I would like to take this opportunity to thank you for your generous support of choosing me as a recipient of your scholarship. I appreciate your confidence in me and willingness to contribute to my medical education. I am grateful for this award as I rely on financial aid, grants and student loans to help finance my education. Receiving this scholarship will help reduce my financial burdens and provide assistance for me as I continue pursuing my education and goal of becoming a physician.

#### **WITH YOUR SUPPORT, I CAN...**

Getting accepted into medical school and becoming a physician has been goal of mine for several years now. However, because I come from a middle class family, this was a goal with many financial stressors. I am very grateful for this scholarship because it will be used toward my upcoming tuition, which will allow me to be the best student I can be.

#### **WHY I CHOSE TTUHSC...**

I chose TTUHSC because I grew up in West Texas, and the campus was immediately welcoming and made me feel completely at home. The resources at TTUHSC are advanced and beyond comparable to every other medical school I visited. I knew that at TTUHSC, both my education and mental health would thrive!
