

JALI GARZA

SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I am extremely thankful for your generosity. Medical school can be expensive so having people willing to help with that expense is really awesome. I will make sure the money you awarded me is used toward my tuition and will go to great use. Thank you again.

WITH YOUR SUPPORT, I CAN...

These scholarships will go toward my medical school tuition and will allow me to focus more on my studies. I cannot thank you enough for empowering me to chase my dreams.

WHY I CHOSE TTUHSC...

I went to TTU for my undergrad and believe TTUHSC is a great place to be. I believe the staff and students care about each other and want us to be successful. I got a great feeling of comfort during my interview day and think that I chose the right city for my family and I. I know I made the right choice about where to obtain my medical degree from.
