SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

Thank you so much for your donations toward my education. I hope to upon completing my training, give back to the community as you have to me through both service and support for future students. Education and living costs increased for my third year of medical school and any amount of help was valuable in relieving financial stressors during this year.

WITH YOUR SUPPORT, I CAN...

The scholarships will help me with the upcoming exam fees for this school year, in addition to the increased living costs of being at the Permian Basin TTUHSC campus. I cannot thank you enough for assisting me financially as I chase my dreams of becoming a physician.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the warm and welcoming environment shared with me during the interviews. In particular, the students at the school seemed happy and described their relationships with one another as collaborative and friendly as opposed to competitive. I felt the environment would help foster kindness in addition to being a strong learning environment.
