#### **BECAUSE YOU GAVE...**

I would like to thank you very much for your generosity and allowing future medical care providers to pursue their dreams. This scholarship has been a great blessing for me in my pursuit of being an oral and maxillofacial surgeon. One day, I will certainly give back to communities and patients who have dental and medical needs. I hope that you continue to consider giving scholarships to students like myself so that we can focus on being the best physicians possible. Thank you.

#### **WITH YOUR SUPPORT, I CAN...**

This scholarship will give me an opportunity to make medical school tuition affordable and focus on being a dedicated student at TTUHSC School of Medicine. I can dedicate my time outside of classes towards being the best physician I can be, rather than working in a side job that may make setting time aside for studying more difficult.

#### **WHY I CHOSE TTUHSC...**

I chose TTUHSC for the great medical school education it provides and the care the faculty show for their students. As an incoming OMFS resident who will attend MS2/MS3 years at TTUHSC, spending two years at a medical school in my program is something I must consider. This program is very strong, and I am honored to be an incoming MS2 joining this summer.
