BECAUSE YOU GAVE...

I want to say thank you, not only does the money help financially, but it really feels like someone believes in you when you receive a scholarship. Thank you for believing in me!

WITH YOUR SUPPORT, I CAN...

Your support will help me focus more on my medical school education, which will then allow me to be the best physician I can be one day. Thank you for allowing me to chase my dreams.

WHY I CHOSE TTUHSC...

When I visited TTUHSC, I knew it was the place for me. Everyone was extremely supportive, and the culture was one of helping each other improve and working together.

BECAUSE YOU GAVE...

Thank you so much! Your support has given me peace of mind and will allow me to perform at a high level in my rotations. You will allow me to become a physician and help others as you have helped me.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me tremendously. Already this year I have had to buy items in order to succeed and meet professionalism requirements. I have had to buy dress clothes for clinic, tie clips, and other miscellaneous supplies. On top of that my 5-year-old son begins Kindergarten in August, I have had to buy clothes and school supplies for him as well. It was going to be a struggle to pay for health insurance, Step 2, and regular everyday expenses even after I maxed out my loans for the year.

WHY I CHOSE TTUHSC...

I believe Texas Tech University Health Science Center School of Medicine is the best medical school, because of Dean Berk, the fellow students, and professors and the staff. The students at TTUHSC seemed genuinely happy to be there, and that was one of the main reasons I chose at TTUHSC.
