#### **BECAUSE YOU GAVE...**

Thank you for your generosity in helping me minimize my educational debt as I become a physician! You are allowing me to chase my dreams, and I hope to pay it forward once established in my career.

#### **WITH YOUR SUPPORT, I CAN...**

This scholarship will help me reduce my student debt while taking care of my wife and kids as I attend medical school. You are taking a massive financial burden off my family, and I cannot say thank you enough for that.

#### **WHY I CHOSE TTUHSC...**

One of the main things that drew me to TTUHSC was the MD/MBA program. I know that I want to run my own practice one day, I am going to have to understand the business side, and TTUHSC is allowing me to make that dream a reality.

#### **BECAUSE YOU GAVE...**

Thank you for this scholarship. I will not misuse the donation and aim to excel academically in both my studies and research. I promise to help the community as you have helped me through the free clinic and other volunteering activities. I am humbled and grateful for this scholarship.

#### **WITH YOUR SUPPORT, I CAN...**

This scholarship will help me financially to support my medical school activities. As a result of these scholarships, I can spend more time doing research (I have already begun my first research project with Dr. Reddy) and volunteering at the free clinic. This is a very important scholarship to me, and I am very grateful for your support.

#### **WHY I CHOSE TTUHSC...**

TTUHSC's mission surrounded around improving patient care and satisfaction is what brought me to TTUHSC. Its commitment to patients reminds me of why I began my journey in medicine: to serve others. TTUHSC's values align with those of mine and it provides me with the skills and knowledge to become a pioneering physician.
