BECAUSE YOU GAVE...

Students like me appreciate the effort of the TTUHSC donors to help medical students pay for this exciting journey. Thank you for helping create tomorrow's physicians, and I hope to pay it forward some day.

WITH YOUR SUPPORT, I CAN...

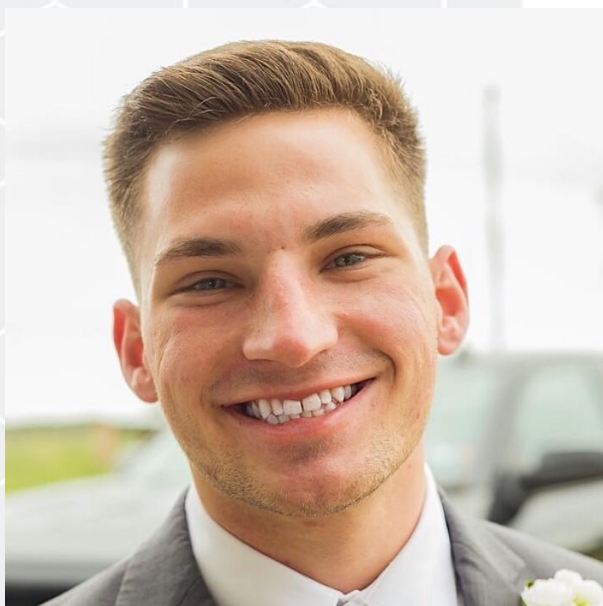

This scholarship year will help me pay for the extensive cost of medical school. Every amount helps, and I am so grateful for your support as I chase my dreams.

WHY I CHOSE TTUHSC...

Having worked at UMC for nearly three years, combined with the same amount of time in the TTUHSC Department of Surgery, I have grown to know and love the TTUHSC. The faculty and staff here are all extremely warm and encouraging to students and residents. I am proud of the culture of service and excellence that has been forged here, and I am excited to contribute to it. I am unbelievably fortunate to be attaining a degree from the TTUHSC! Wreck 'Em!

BECAUSE YOU GAVE...

First and foremost, my sincerest gratitude for your donation to help students like myself pursue their dreams with less of the stress that comes with student loans. You set an example of selflessness, and efforts like yours help keep the spirit and culture of TTUHSC alive. I will use this scholarship as motivation and incentive to becoming the best medical student and doctor I can be. It is also my hope to one day be in a position of being a donor, as I recognize the huge relief a scholarship like this provides to a student in financial need.

WITH YOUR SUPPORT, I CAN...

Being a first-generation college student, and the first of my seven siblings to pursue a graduate degree, has been a rewarding yet financially challenging path. My parents have helped me in ways they could, yet I was required to take out student loans for my undergraduate education and plan on financing medical school the same way. I was planning on working part-time during medical school to help alleviate the burden of these loans, however receiving this scholarship gives me the freedom to focus less time on work and more time on becoming a better medical student.

WHY I CHOSE TTUHSC...

For the last 4 years, I have had the opportunity to immerse myself in the TTUHSC community and the Red Raider name. I have spent time volunteering in Family Medicine, Internal Medicine, and Ophthalmology departments at TTUHSC as an undergraduate student at TTU. I was always blown away by how helpful and kind everyone was, and knew TTUHSC was the right choice for me.
