BECAUSE YOU GAVE...

Thank you so much for your contribution towards my education. Your generosity is greatly appreciated. I hope to one day also contribute to scholarship funds so that I can help a student as you have helped me. Thank you again for your help in reaching my scholastic goals.

WITH YOUR SUPPORT, I CAN...

Because I am paying for medical school exclusively with loans, every scholarship helps. Every scholarship dollar is one more dollar I won't have to repay later with interest. I greatly appreciate any contribution towards my education, and your support is invaluable.

WHY I CHOSE TTUHSC...

I did my undergrad at TTU and truly enjoyed living in Lubbock. The city is nice and the people are all friendly. I'm extremely fortunate to spend at least my first 2 years of school living in Lubbock. I know I made the right choice by staying in Lubbock and in the Texas Tech University System family.

BECAUSE YOU GAVE...

I would like to thank you for supporting my higher education. I am so grateful for the opportunity to learn new skills and continue to grow as a person. You are allowing me to chase my dreams, and I cannot be more grateful for your support.

WITH YOUR SUPPORT, I CAN...

There is no doubt that medical school comes with a financial burden, and any amount of scholarship helps. This scholarship will help fund my higher education, and will take away some financial stress so that I can focus more on my education. I cannot thank you enough.

WHY I CHOSE TTUHSC...

The best thing about TTUHSC is the well-knit community. Everyone, including faculty and students, are willing to help each other in order to succeed. Everyone in the TTUHSC community is friendly, which makes the stress of medical school more manageable. I know I made the right choice coming to TTUHSC.
