

HAVEN WARD

SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I have been financially independent since I was fifteen years old and have dealt with many financial hardships. Receiving this scholarship has not only helped me feel more confident for this upcoming year but also has made me feel closer to the TTUHSC community. I am so excited to be surrounded by such an amazing group of intelligent and strong-willed people. Thank you for helping me make my dreams become a reality.

WITH YOUR SUPPORT, I CAN...

In order to cover the rest of my living expenses, I had to take out the loan with a very high interest rate, this scholarship. This scholarship will allow me to take a smaller loan, which I am so grateful for.

WHY I CHOSE TTUHSC...

During my journey into getting accepted into medical school I faced many failures and rejections. I can remember feeling belittled by interviewers from other schools and felt that the current students were overly competitive. When I came to TTUHSC for my interview, I felt the complete opposite. My interviewers were so kind, and I finally felt like someone believed in my potential to become a great doctor. The students were friendly and helpful and made it very obvious how happy they were with their choice in TTUHSC.
