

GEOFFREY GONZALES SCHOOL OF NURSING

BECAUSE YOU GAVE...

The most precious resource any of us has is time. Money comes and goes. I value the moments I have with my family. This generosity will give more time to spend more time with my family, that in itself is precious beyond measure. Thank you so much for making this possible.

WITH YOUR SUPPORT, I CAN...

I won't have to work 60 hours a week during the holidays to make up for those seasonal expenses, giving me more time spend with family and more energy for school assignments.

WHY I CHOSE TTUHSC...

I never had the "campus life" experience. I attended a community college and hospital affiliated nursing program without the commraderie of TTU. I chose TTUHSC to be a part of collective of individuals with pride in their institution, with recognition outside the city of San Antonio and the state of Texas. I chose TTUHSC to be able to identify myself as an alumni of this institution and network with this "family".

LAUREN COOK

SCHOOL OF NURSING

BECAUSE YOU GAVE...

I would like to say how thankful I am that I was chosen to receive this scholarship. My family has struggled with finances ever since my dad was diagnosed with cancer and is not able to help pay for my school. This scholarship allows me to not have to take out as many student loans and therefore not be in as much debt when I graduate. This money is so appreciated, and I am very grateful.

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly help me with not having to worry about finances as much. I don't receive funds from my parents so I solely rely on loans, grants, and scholarships. Receiving a scholarship reduces the stress of worrying about how much debt I will have when I graduate and how I will be able to pay it off. By receiving scholarships, I am able to focus more on school and less about financial stressors. It will also put me in a better financial position when I graduate, and for that I am very grateful.

WHY I CHOSE TTUHSC...

Being born in Lubbock, I have wanted to go to Texas Tech ever since I was a little girl. When I decided I wanted to go to nursing school and started looking at schools in Texas, TTUHSC quickly became my top choice. TTUHSC has an excellent nursing program, and I feel I am getting a very well rounded education here. I'm learning how to collaborate with other members of the healthcare team and contribute to the health and well being of my future patients. The programs success shines brightly through the NCLEX pass rates and I'm proud to be here!
