BECAUSE YOU GAVE...

With the upmost sincerity, I want to say thank you so much. Thank you for your support, compassion, and tremendous generosity. This donation is a huge blessing and I am forever grateful. I hope that one day I am financially capable of doing the same for future students, to help continue supporting their motivations, drives, growth, and dreams, such as I see in myself.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me continue my education in nursing school by providing the opportunity to purchase school supplies, gas to get to and from school, as well as clinicals, getting groceries, and other everyday expenses needed to live as a student. It can be difficult at times to maintain focus on my studies, learning and growing, but while also having to worry about bills and everyday living expenses. Your gift really helps alleviate some of the stress that comes along with being a financially independent student.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the many values and virtues that it upholds, leading a legacy. This school has always been my dream school, and I am so fortunate to be attending. Every student I know that has graduated from TTUHSC has gone on to be an amazing professional, shaped by the education that this school provides. I have even seen myself grow as a student, even as a person, learning and upholding the same values that TTUHSC instills. I am proud to be apart of this school and wouldn't want to attend anywhere else.

BECAUSE YOU GAVE...

I sincerely thank you for this gift. Currently, there are no Certified Nurse-Midwives in the Permian basin who take care of women from preconception to birth. I want to help bring that vital service to my community. I hope to be able to be as generous in the future when practicing as a midwife, I want to be able to donate services to the underserved, and low-income families in our community.

WITH YOUR SUPPORT, I CAN...

Having a scholarship pays for a portion of my tuition. This affords me the ability to not stress the burden of the full tuition for a Master's degree. I will be able to continue to provide things for my children that they are used to. I won't have to cut corners in the budget or be careful about how much food I buy at the grocery store.

WHY I CHOSE TTUHSC...

I began at TTUHSC because I met Kyle Chapman at a transfer fair at a community college where I learned about the Veteran to BSN program. I loved that there was a school finally giving me real credit for having been in the healthcare field in the military. I chose to continue my education with TTUHSC because I had a great experience with this school during my initial nursing school.

Words can't express how grateful I am to you for this generous gift. Thank you so much. It means so much to me. I promise to work hard so that this money goes to good use. This scholarship takes so much stress off of my shoulders. Thank you again for being so kind and caring about the students at TTUHSC. God Bless!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me focus more on school and worry less about paying for it. It will also take some stress off of my shoulders so that I can just stress on school. Since starting nursing school money has been really tight, so any little bit helps. It will make me work even harder so that I can accomplish my goals.

WHY I CHOSE TTUHSC...

I chose TTUHSC because everyone I talked to who went through this program told me they loved it. I also talked to other who went through other nursing programs and was told not to go to those. TTUHSC cares for their students and wants us to succeed. I have only heard great things about this program and now I see why. I am so glad I chose to come here and will highly recommend it to others.

I would like to say thank you. Your generosity is greatly appreciated and will be used graciously. It will help me continue my nursing career for the third semester, which helps greatly so that I may move onto my last semester after this.

WITH YOUR SUPPORT, I CAN...

This scholarship helps greatly for the semester. My parents and I do our best to pay for each semester from our money since I do not receive any other scholarships. Therefore, I am very appreciative of the generosity of this foundation. With this scholarship I am able to continue forward with my education in the nursing career.

WHY I CHOSE TTUHSC...

I was originally planning to continue my nursing career where I was taking my prerequisites, the University of Texas of the Permian Basin. As I was doing this, I was working at TTUHSC in the OBGYN administration department. While working here I was notified of the TTUHSC SON program. From then, I became invested. I began researching all that I needed to so that I could plan to apply for this program instead. Now I am proud to be a part of the program.

Thank you from the bottom of my heart. Without giving too much detail, my school funds have been depleted, and I have been struggling to figure out how to pay for this last semester. With this money, I am able to finish the first payment of tuition.

I would like to express my gratitude and thank you for awarding me this scholarship. Receiving this scholarship has helped me reduce my financial burden as I pay for my own education. I am grateful for the opportunities this scholarship will provide me and for being selected to receive this scholarship. This scholarship will definitely help me financially this semester and has been such a blessing.

WHY I CHOSE TTUHSC...

It was my goal to attend TTUHSC. It has been a dream of mine to attend this school and graduate from the school of nursing. One of the main reasons I chose TTUHSC in the Permian Basin is because it is local. The fact that the TTUHSC students practice here in Midland/Odessa and they serve the community made me choose this school. I have lived in the Permian Basin pretty much all my life, when I finish my degree at the school of nursing I hope to continue to serve the Midland/Odessa community.

I wanted to take this time to say thank you for the scholarship. It means a lot to my family and of course, myself. I grew up with a family full of nine kids so I know from personal experience how tight money can be. My dad has always set a great example to not take anything for granted and to work hard at everything you do. I am beyond thankful for your generosity and kindness. Being awarded this scholarship has been a humbling experience and I will be forever grateful that you found me worthy of it.

WITH YOUR SUPPORT, I CAN...

This scholarship will benefit me in many ways. It will help me pay for my tuition and with the costs of living (e.g. paying for rent). This scholarship will help relieve me of some of my financial worries, which will allow to focus more on school and as a result, be a better student.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the competitiveness. It is one of the most difficult nursing schools to get into Texas and if/when someone gets in, it only gets tougher. I also chose TTUHSC because during my interview, I fell in love with the professors and the campus. It immediately became a place I knew I could call my second home. Another reason I chose TTUHSC is because of the pedigree a degree from TTUHSC holds. Everyone knows of and respects TTUHSC and as a result everyone wants to hire you upon graduating.

One of the stresses of nursing school is the financial burden. WHY I CHOSE TTUHSC...

There are many different schools of nursing in my area. However, I found it important to view NCLEX rates and how successful programs are in each school. TTUHSC has a 100% NCLEX rate pass! That is incredible great and also very pursuing to nursing students. It defines that not only will we be successful in the NCLEX but we will also have many accomplishments off on the floor. I am a first generation Texas resident pursuing higher education in nursing. When it comes to my education I have a grounded support system, but when it comes to funding my education I take the responsibility. This scholarship will help me tremendously to fund my tuition debt, school supplies, and other expenses I have while being unemployed for nursing school. It will also take one less worry off my shoulders and allow me to achieve my academic goals freely. Lastly, it will give me a bigger opportunity to focus on my courses and class work.

WHY I CHOSE TTUHSC...

TTUHSC School of Nursing provided the best of the best opportunity for me to achieve my goal of becoming a nurse. It had the state of the art educational facilities, amazing hands on stimulation centers, and many networking resources to expand my skills/education. Then the cost of this institution was reasonable for their high standards of academia. Lastly, the location was close to home here in Odessa Texas, allowing me to be with family and friends.

I would like to thank you for your generosity. This is my first semester of nursing school at TTUHSC and I am so thankful for the support system that I have here. WHY I CHOSE TTUHSC...

When I was 10, I would travel to Lubbock for soccer and would see the campus and became fascinated with the campus and decided I wanted to attend TTU. The years passed and I decided I wanted to provide care to people who needed it, so I decided to become a nurse. I knew that TTUHSC had a great program and there was no denying that this was where I was meant to be. I know that I will be successful because this program is one of the best in the nation.

I would like to express my profound gratitude to you for creating this scholarship. I am deeply appreciative of this honor that was bestowed on me to be selected as one of the recipients of this scholarship. For a very long time, I nurtured this dream of becoming a nurse and now that it is within reach, I promise that I will do everything within my power not to betray the trust you had in me, a total stranger, that made you contribute to helping ease the financial burden of my education.

WITH YOUR SUPPORT, I CAN...

Being awarded this scholarship, will be an answer to a prayer as it will help me to achieve my long-held dream of using my passion for helping people by becoming a nurse. I have always wanted to be a nurse, but I never had the opportunity to become one until now.

WHY I CHOSE TTUHSC...

There were many reasons I chose TTUHSC out of all the schools in this region. One of the first reasons I chose TTUHSC, is that the School of Nursing is tried and tested and has stood the test of time. Secondly, it is the first school to offer a Bachelor of Science in Nursing in the Permian Basin. Thirdly, TTUHSC has one of the best NCLEX pass rates in the Permian Basin. Lastly, the reputation of the instructors for being knowledgeable and willing to impart knowledge, preceded them.

WHY I CHOSE TTUHSC...

I am an immigrant from South of Korea and have started to set up the academic goal as a nurse. The scholarship your foundation offers supports me to grow up as a member of society and prepare to be a professional nurse who contributes to public health care. After completing the Bachelors degree of science in nursing, I will pursue the Master degree in educational nursing. I think the nurse is one of the important jobs for the community to have healthier and better lives by providing professional health care. One of my nursing goals is to obtain knowledge of health care and educate patients, family members, and community.

ASHLEY HOSSLE SCHOOL OF NURSING

BECAUSE YOU GAVE...

I would like to thank the donor for this very helpful and generous gift. This helps me to focus on school and worry less about working or bills. I can not express my gratitude enough. I work very hard as a student, mother and as an employee. Juggling it all is worth it because I love my life and all that I do, but it gets tiring at times, this helps me to take a time off and focus more on school which is my priority at the moment. Thank you for this blessing so much.

WITH YOUR SUPPORT, I CAN...

As a single mom and going to school full time as well as working full time can be very stressful. This scholarship helps take some weight off! It helps to take some worry off and be able to focus more on the important thing. I appreciate this so much more than I can express.

WHY I CHOSE TTUHSC...

I have friends that have graduated from Texas Tech's nursing program and they are some of the nurses that I respect most. Tech has a reputable program that I am very honored to be a part of now.
