BECAUSE YOU GAVE...

I'd like to thank you again for your generous donation. This contribution has helped me tremendously. Through the late hours of studying and working at the hospital, financial stresses were looming over me. However, once I received notification of my selection, it was very fulfilling having been awarded money that I could use towards my education. By helping me with my education expenses and easing my stress, it pushes me one step closer to pursuing my dream of becoming a nurse practitioner one day.

WITH YOUR SUPPORT, I CAN...

I am thrilled to learn of my selection for this award. I am deeply appreciative of your generosity and support. Thanks to your financial assistance towards my educational expenses, I will be able to focus more on my academic studies and future goals. I will also have less time to stress about financial matters allowing me to have a smoother transition into my second year of nursing school. Once again, I am honored to be one of the recipients of this scholarship. One day, I intend to help others the way you have helped me.

WHY I CHOSE TTUHSC...

I'm originally from a small town known as Carlsbad, New Mexico. Since I've moved to Lubbock, Texas in 2016, I have loved living here. Since the fourth grade, my heart has been set on this university. My fourth grade teacher was a huge Texas Tech fan. She decorated her classroom in red and black with the Double T in every corner. Since then, I was inspired and made it a goal to attend Texas Tech University for my pre-nursing courses, and then the Health Sciences Center for the Traditional Bachelors of Science in Nursing program.

BECAUSE YOU GAVE...

I cannot thank you enough for providing me the funds to continue my education at TTUHSC School of Nursing and allowing me to receive a second bachelor's degree in a field that I'm so passionate about. I am very appreciative of your support and belief in me as a student. I am very excited to venture to this next journey in my life and begin my career in the nursing field. None of this would be possible without you!

WITH YOUR SUPPORT, I CAN...

I have had a few financial hardships in the past year that have put a large strain on my family and myself, so every bit of scholarship I receive lessens my financial burden a little bit and makes it easier to succeed in my classes. This scholarship allows me to focus more on my classes and less on the stress of figuring out the financial aspect of school. I'm hoping this will help me excel to my maximum ability in all of my classes.

WHY I CHOSE TTUHSC...

I was drawn to the Accelerated BSN program for many reasons. The program offers a great education for the students and allows us to get our degree faster than other programs. I also really liked that I would be in Dallas to do my clinicals, as this is where I want to live once I graduate. This allows me the ability to make networking connections here as I participate in Clinical. TTUHSC also has a great reputation for their nursing school so I was very excited to be able to be a part of that!

This scholarship will help me pay my tuition for this semester. It will also help me be able to go part-time at work sooner than later. I can assure you that this scholarship will be put to great use and will play a significant role in helping me to finish my education.

WHY I CHOSE TTUHSC...

I attended TTUHSC for my BSN degree. We had amazing professors who went above and beyond to make sure we were successful. Our faculty genuinely wanted each and every one of us to succeed. I graduated with honors and passed the NCLEX the first time at 75 questions because of them. Our graduating class had a 100% pass rate for the NCLEX. TTUHSC set me up for success and today I am an exceptional nurse because of TTUHSC.

BECAUSE YOU GAVE...

Thank you for your donation. I will make the best use of it. In the future, I plan to donate to scholarships that will fund new students. This way I can provide others the opportunity that was given to me.

WITH YOUR SUPPORT, I CAN...

The VBSN program is challenging and demands a lot of time. It leaves little chance to work extra hours for supply funds. This scholarship will provide the additional resources required for books and supplies allowing me to focus on my educational goals.

WHY I CHOSE TTUHSC...

I served in the US Air Force as a medical technician. I was blessed with a supervisor who knew I wanted to continue my education in the medical field. She challenged me to take on the VBSN program at TTUHSC. It is a fast-paced program that has allowed me to learn and grow so much, thus far. I am glad I took on this challenge and cannot wait to see what is in store for the rest of the year.

BECAUSE YOU GAVE...

I want to thank the donor for investing into giving others an opportunity to an education. Being first generation and the first of my family to seek a profession degree, I know the importance of going to school and working hard. My hopes are to continue my education after receiving my BSN by specializing and would love to work for the VA. I would like to make a positive impact to our veteran population and give them the medical treatment the deserve.

WITH YOUR SUPPORT, I CAN...

With the help of this scholarship I will be able to stress less about my finances and truly be able to focus my time on my education. Having more time to commit towards the program allows me to truly dive into my education and make time to be successful. The funds will help pay some of my bills in advance and this will allow me to feel less stressed and worried about my finances.

WHY I CHOSE TTUHSC...

TTUHSC stood out to me against all the other nursing programs I looked into the school not only because of their NCLEX first time passing rate, but because I feel like the program was made for someone like me. Being prior military, I felt that my time and work that I did while in the Army did not always translate well into the civilian sector. This program seemed to give me a pathway to my career of choice.
