#### **BECAUSE YOU GAVE...**

I want to especially thank my donors, Myrna L. Armstrong and Elizabeth (Hanslik) Montalvo Scholarship Endowment, for considering me for this prestigious award. I accept this award by promising that I will use this generosity to pay forward by succeeding in my career and by changing the lives of my patients as a good nurse.

#### **WITH YOUR SUPPORT, I CAN...**

As a student receiving scholarship means so much. With the help of this scholarship I can rest easy and know with certainty that part of my tuition payment will be paid on time. This not only lessens the stress of making payments, but also helps me put my focus on studying instead of putting it on tuition.

#### **WHY I CHOSE TTUHSC...**

Texas Tech University HSC is a prestigious school that offers second degree students (such as myself) a chance to better themselves and helps them transition through career changes. #### **BECAUSE YOU GAVE...**

I would like to express my gratitude and appreciation for your generosity. I hope to be in a position to give back in my future. It speaks to your experience and pride in TTUHSC.

#### **WITH YOUR SUPPORT, I CAN...**

I am incredibly grateful for this scholarship. The high cost of medical school is very overwhelming and stressful. This scholarship will help alleviate some of the stress and ease my loan burden. It also reminds me of the generosity of the donors and gives me another reason to fulfill my dreams of becoming a physician.

#### **WHY I CHOSE TTUHSC...**

I attended Texas Tech University for my undergraduate degree and while I was there I was accepted into Undergraduate to Medical School Initiative, which granted me admissions to TTUHSC School of Medicine under certain conditions. What stood out to me about TTUHSC was the cooperative environment. In addition, I was impressed with the block system that the School of Medicine uses and all of the preclinical experience early on. I also loved the friendly people and environment in Lubbock!
