BECAUSE YOU GAVE...

I believe thank you is really the best thing I can say but no amount of thank yous could be enough to express my gratitude. Any amount of money that can be awarded for the effort toward my future is appreciated beyond belief. I hope to give back through my work in the healthcare field to make you proud to have placed financial investment into me.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me to pay for my last few semesters of my nursing degree. I have managed to make it through one degree and most of this one with no loans or debt. However, working a part time job pays for living expenses and leaves little to put aside for school tuition. This scholarship means that I will have more flexibility to dedicate to my studies and less to worrying about bills.

WHY I CHOSE TTUHSC...

I have gone to TTU for my entire college career and have loved every minute of my time here. I have met many people at the HSC that have helped to shape me into the student, nurse and person I am now. The school of nursing is a highly recognized program that awards a Bachelor's which also makes me a more competitive candidate for most RN positions.

BECAUSE YOU GAVE...

I am forever thankful and hope that one day I can pay it forward and provide financial assistance in the way that you have done for me.

WITH YOUR SUPPORT, I CAN...

School demands my full attention and energy; being awarded these scholarships allow me to be less concerned about the financial toll that comes with obtaining a BSN. For the last 3 semesters I have poured my heart into my studies and my patients in order to say that I gave this program everything I had. I will work diligently post-graduation to repay any debt that I incur, but scholarships all me to lower that amount. Being awarded scholarships has give me the luxury of breathing a little easier during study times, testing, and clinicals and I am forever grateful for that.

WHY I CHOSE TTUHSC...

Choosing TTUHSC was the easiest decision I've ever made. Walking through the front doors for the first time on my way into my interview just felt so right. This school is diverse and inclusive and truly invests in your experience and success. TTUHSC has become a second home to me and I have found a support system like no other.

BECAUSE YOU GAVE...

I would like to thank you so much for giving me this opportunity. I have wanted to be a nurse for a long time now. I am a single mom of four children. I have been working full time, going to school full time, and taking care of my children. However, I am not able to work during nursing school, due to the intensity of the program. My goal is becoming an OR Nurse. I am looking forward to caring for members of my community. Your generosity is very inspiring.

WITH YOUR SUPPORT, I CAN...

This scholarship is making it one step easier to achieve my dream of becoming a registered nurse. It will help cover the expenses associated with my education. I will be able to afford my textbooks and necessary school supplies for the upcoming semester and devote all my focus to my studies.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it is a very reputable school. I was so excited to hear that Tech had a Veteran to BSN program. The program allows for corpsman and medics to use their knowledge and experience toward becoming a registered nurse. I have lived in Lubbock since 2012. I fell in love with Lubbock because the people are so friendly.

BECAUSE YOU GAVE...

I want to thank you for making this scholarship possible for me. In a previous career, I was on track to achieve success monetarily, but I could not find joy in my work because it did not give me the opportunity to serve others. Pursuing nursing will allow me to find this joy and give back to the town I love so much: Lubbock. I also hope to show this same generosity to nursing students in the future if I have the opportunity as nurses are integral to the functioning and well-being of all communities.

WITH YOUR SUPPORT, I CAN...

These scholarships will help me offset my cost of living as I am currently unable to work while I complete my program. Part of the funds will allow me to purchase my text books as well. Not having to worry about the cost living expenses and books as much will allow me to focus more attention toward school and be successful in my pursuit of a nursing degree.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I love the community of Lubbock. I was raised in Lubbock and moved away for some time after high school. While living in a different town, I realized how much I loved Lubbock and how big of an impact the community had on me during my formative years. This realization, coupled with my desire to become a nurse, made me choose to move back to Lubbock and go to school at TTUHSC. TTUHSC is special to me because it will ultimately prepare me to serve the community that I love as a nurse.

BECAUSE YOU GAVE...

I want to tell the donors that I appreciate what they have offered. I am the first of my family with a high school diploma and I will be the first to have a Bachelor's degree. I do not plan to stop at this degree. I want to continue my education and advance in my field and the scholarship you have provided will allow me to do that. My children and I thank you for your generosity.

WITH YOUR SUPPORT, I CAN...

These scholarships will afford me the opportunity to continue my education and not focus on living and education expenses. As a single father, finances can be at times stretched and I appreciate that one stress can be remedied by these awards.

WHY I CHOSE TTUHSC...

I chose TTUHSC for the existence of the veterans accelerated BSN program. I could not find a similar program at other Universities and being that I had experience in the Nursing field I felt I should be afforded the opportunity to advance my education at a faster pace.
