

SHANEN WARNEKE SCHOOL OF NURSING

BECAUSE YOU GAVE...

After graduation, I plan to work in ICU and to further my education by pursuing a DNP to become a nurse anesthetist. I would then like to find work in rural areas or areas that are typically underserved. I feel that helping people in these places is the best way to help give back to the communities. I can't thank you enough for your generosity and willingness to give. You are truly an inspiration to me, and I hope to one day be able to help others the way you have helped me.

WITH YOUR SUPPORT, I CAN...

This scholarship is making it possible for me to follow my dreams and become a registered nurse. This will greatly help to pay for school expenses such as tuition and the textbooks I need for my classes. Without having to worry about these finances I can completely focus on my education.

WHY I CHOSE TTUHSC...

I grew up about two hours south of Lubbock in Big Spring, Texas. Growing up I was always a huge Texas Tech Sports Fan. I remember watching football games as a kid and being in awe of the stadium and campus. Once I graduated high school, I knew that I wanted to go to Texas Tech. Then when I was researching Nursing Schools, TTUHSC was at the top of the list. So, I was able to get the best of both worlds, a school that I loved and a top tier nursing program.

BECAUSE YOU GAVE...

I don't know how else to express my gratitude other than telling you thank you and that you're truly amazing! Thank you so much for your donation, I had no idea how I was going to pay for my school fees, but your generous donation saved me! Again, thank you so very much and may God bless you!

WITH YOUR SUPPORT, I CAN...

This scholarship will help pay for the remainder of my tuition that financial aid wasn't able to cover, as well as go towards the new Pearson textbooks and access codes I need to order for this semester!

WHY I CHOSE TTUHSC...

My sister was a nursing student at TTUHSC and said the experience she had was amazing! She loved the environment, the professors, and the abundance of resources available. She persuaded me to do some research on the school and I found out that the School of Nursing had a 95% NCLEX pass rate, which is now 100%, and a state of the art interactive simulation lab! And that was all I needed to be convinced!

BECAUSE YOU GAVE...

I would like to say thank you so much for your generosity. I am grateful that you have aided me in getting one step closer to graduation. This is my second bachelor's degree and I am striving to take advantage of other opportunities to fund my education other than student loans. I do not want to be in debt with student loans, and your scholarship will help reduce my stress and allow me to be invested in my studies. I hope to be impactful in someone else's life just like you were for me. This is a blessing, thank you.

WITH YOUR SUPPORT, I CAN...

This scholarship will help reduce my stress by avoiding a student loan and being able to help fund my last semester of nursing school. Furthermore, I will be able to be invested in my studies and focus on graduation which is right around the corner. I know that to be a successful nursing student, I need to take care of myself and that includes mental wellness. I am very grateful for this scholarship.

WHY I CHOSE TTUHSC...

I have always strived to be innovative, compassionate and impactful in all aspects of my life. When researching nursing schools, I found TTUHSC believes in adapting to the evolving medical advances and encourages community engagement as a healthcare professional. I felt that I could identify with the TTUHSC mission statement because I want to be able to adapt in the medical field and also be influential in the community. Furthermore, TTUHSC offers a BSN-DNP program and that is my ultimate career goal: to pursue a DNP in Executive Leadership and eventually CEO of a large hospital.

BECAUSE YOU GAVE...

I would like to thank my donors from the bottom of my heart for their donation to my education. This scholarship allows me to focus on my academics, buy hard copies of my nursing books, and help lift the financial struggles I have encountered in the last few months. Thank you again for investing in my education.

WITH YOUR SUPPORT, I CAN...

These scholarships will help me in more ways than one. It will help me with fuel for transportation to school and clinical sites, but it also allows me to buy the Pearson books for school that I was not able to purchase due to the cost. Not only that, but we all encounter times of financial struggles. These past few months have been difficult for me personally and it brings me great joy to receive these scholarships.

WHY I CHOSE TTUHSC...

TTUHSC was not originally my first choice. Due to money I chose to go to a community college to get my prerequisites, and it was there I planned to attend nursing school. When it came time to get the ball rolling my counselor at Cisco College sat me down and told me, "we would love to have you, but you are way to smart". She gave me Theresia Roundtree's card and it was from then I started the process of becoming a Texas Tech Nurse!

BECAUSE YOU GAVE...

I would like to express great thanks to the donor for this scholarship. My mother was recently diagnosed with cancer and funding my education has been difficult, but with your great generosity, I will be able to utilize the money to pay for my education.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me fund my education and reach my goals of earning my BSN. My parents would like to contribute funding for my education, but with their current circumstances, they are unable to help me pay for my education. Receiving this scholarship is a blessing I am very grateful for.

WHY I CHOSE TTUHSC...

I completed my undergraduate degree at Texas Tech University and most of my best memories were made at this school. Being a member of the honors college, I had dedicated, intellectuals as professors and I never questioned the education I was receiving. I knew that I would have the same, if not better, experience at the TTUHSC School of Nursing.
