

GEOFFREY GONZALES SCHOOL OF NURSING

BECAUSE YOU GAVE...

The most precious resource any of us has is time. Money comes and goes. I value the moments I have with my family. This generosity will give more time to spend more time with my family, that in itself is precious beyond measure. Thank you so much for making this possible.

WITH YOUR SUPPORT, I CAN...

I won't have to work 60 hours a week during the holidays to make up for those seasonal expenses, giving me more time spend with family and more energy for school assignments.

WHY I CHOSE TTUHSC...

I never had the "campus life" experience. I attended a community college and hospital affiliated nursing program without the commraderie of TTU. I chose TTUHSC to be a part of collective of individuals with pride in their institution, with recognition outside the city of San Antonio and the state of Texas. I chose TTUHSC to be able to identify myself as an alumni of this institution and network with this "family".

JOSHUA ROBINSON SCHOOL OF NURSING

BECAUSE YOU GAVE...

Thank you from the bottom of my heart. I can honestly say that your generosity has provided me an opportunity to change the lives of the patients' I have the privilege of caring for.

WITH YOUR SUPPORT, I CAN...

It will help me continue my dream of becoming: Joshua Robinson, RN, BSN, CCRN, ACNP This scholarship will allow me to allot more time necessary for studying when not providing patient care. Finances are always a concern for students, especially when my wife is a full-time nursing student and we are raising our 2-year-old little girl. These scholarships help my family in more ways than I could imagine, I am beyond grateful to have been the recipient of such prestigious scholarships.

WHY I CHOSE TTUHSC...

Personally, when I started working at Methodist Hospital I saw a lot of my ACNPs and experienced nurses had graduated from TTUHSC. I talked with them and they had nothing but great things to say, and I knew I wanted to attend a respected nursing school here in Texas.

ALISON DUKSTA SCHOOL OF NURSING

BECAUSE YOU GAVE...

I would just like to thank you for supporting me in achieving my goals in becoming a registered nurse in the ICU and ER and for contributing to TTUHSC SON.

WITH YOUR SUPPORT, I CAN...

I fractured my spine in a skiing accident in March and my family is currently paying medical bills. This was a big challenge I have overcome during nursing school. This scholarship greatly decreases financial burdens when recovering from this accident.

WHY I CHOSE TTUHSC...

I noticed TTUHSC had a very high NCLEX pass rate and an amazing simulation program. When I attended orientation, I really liked how welcoming and supporting all the faculty were. I felt like TTUHSC SON provides a great learning environment and really cares about the success of it's students.

JENNIFER HERRINGTON

SCHOOL OF NURSING

BECAUSE YOU GAVE...

Thank you so much for your generosity and your kind consideration of me in this award. I am so grateful and cannot adequately express how honored I am to have been selected for this scholarship from among so many other highly competitive nursing students. I hope to one day make a difference in the lives of others and your generosity has certainly made a difference in mine.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me achieve my goals throughout nursing school and into the future without having to worry about the considerable financial burden accompanied with college. This award has assured me that I can make a difference in the nursing field and achieve my goals for the future, regardless of obstacles that I may face.

WHY I CHOSE TTUHSC...

I attended Texas Tech University for my prerequisite courses and as cliché as it sounds, I fell in love with the environment, the people, and the education that I received. This made the transition to TTUHSC seem like the obvious choice to continue my nursing career, and I am so glad that I did. TTUHSC has given me the opportunity to succeed and sometimes, more importantly, to fail in a safe environment in order to learn the most I can about preparing for my future career as a nurse.
