

KIMBERLY AGWU

SCHOOL OF NURSING

BECAUSE YOU GAVE...

I would like to say thank you so much! This scholarship is enough to cover my tuition up until I graduate in August 2019. I know I can never repay you for the blessings you have bestowed upon me, but I plan on paying it forward and helping future Nurse Practitioner Students at Texas Tech Health Science Center in the future. Your donation is a God send, and I will be forever grateful to have been awarded this scholarship.

WITH YOUR SUPPORT, I CAN...

I am paying for my advanced degree by myself and will be going part time at work, so this scholarship will help me tremendously! I feel blessed to be awarded this scholarship and to be able to apply this monetary award toward my tuition expenses. Due to this huge monetary contribution my tuition will now be covered up until graduation which is a huge blessing to me!

WHY I CHOSE TTUHSC...

I chose TTUHSC because it is a diverse nursing program. Being an African American woman it was nice to see them promote diversity among their faculty and on educational brochures for the university. It feels good to know I am attending an inclusive school. Additionally, the program works hard at advancing the future of nursing and I feel blessed to have been chosen to attend their MSN program and be apart of that growth.
