#### **WHY I CHOSE TTUHSC...**

I joined the military right after high school and became a military nurse. I provided care for those who needed it on base, and I enjoyed it so much that when I got out of active duty, I wanted to further my career and get my Bachelor of Science in Nursing. While still in the reserves I overheard a friend of mine talking about a nursing program at TTUHSC that is catered to veterans that were in the medical field. It was exactly what I was looking for and I am so glad that I am here now!

I want to thank you so much for giving me the ability to continue my studies. As a nursing student, my focus should be on improving my knowledge of healthcare and medicine so that I can better serve my future patients. Your generous contribution to my education has enabled me to do this, and for that I am grateful.

### WITH YOUR SUPPORT, I CAN...

### WHY I CHOSE TTUHSC...

As a Texas Tech Alumni, it was only natural for me to want to further my education at TTUHSC. TTUHSC has a reputation for graduating skilled nurses who go on to make a difference in their communities and the world. Since being admitted, I have already had many opportunities to make a difference at home and abroad. As an active member of TNSA, I have volunteered at community health fairs and helped clean up the American Cancer Society's Hope Lodge. I am so grateful that I will have more opportunities to give back to the community because of your gift.
