### **BECAUSE YOU GAVE...**

Your investment has helped me tremendously. I'm truly thankful that I was chosen to receive this blessing. My mother doesn't work and my father is a cable man. I plan to one day be a leader in my community where I can give back to those in need when I'm financially able. This investment will help me take off some pressure from my loved ones and ultimately help me reach my goal of becoming a great nurse practitioner.

### **WITH YOUR SUPPORT, I CAN...**

The funds from this scholarship will be used to pay back my parents for the loan given for this semester. I will also use these funds to purchase the additional textbook resources offered in some of my courses. This will allow me to increase my chances of doing well in my classes by purchasing those optional study guides and flash cards.

### **WHY I CHOSE TTUHSC...**

I was originally drawn to Texas Tech University by my aunt who highly recommended the university. I received my first degree shortly after her from Texas Tech University and loved how involved the professors were in the distance learning program. This program has allowed me to manage my personal life with work, all while increasing my knowledge from a distance. I love TTUHSC which is why I decided to pursue my masters at this university.

### **SCHOOL OF NURSING**

#### **BECAUSE YOU GAVE...**

I would like to thank the donors for this generous scholarship, if I had not received this scholarship, I would be under a great financial burden. but because of this scholarship, I no longer have to worry about paying tuition, I can focus on school and becoming the best nurse I can be. I am extremely grateful and one day would like to give back, like the donor's have given to me.

#### **WITH YOUR SUPPORT, I CAN...**

I am currently a full time student, and working a part time job and this scholarship allows me to not have to work as much to pay for tuition. If it were not for this scholarship, I would need to have a full time job and would not be able to focus as much on school.

#### **WHY I CHOSE TTUHSC...**

I chose TTUHSC because I loved the atmosphere on campus. The teacher love there job, which makes learning at TTUHSC so much better. I also chose TTUHSC because Lubbock is small town and great for academic learning.
