

MCKENZIE MOORE SCHOOL OF NURSING

BECAUSE YOU GAVE...

Thank you so much for considering me a student worthy of such a great scholarship. I am able to continue learning and eventually graduate with my BSN with this financial support. I am one step closer to achieving my dream of becoming a NICU nurse, and it's all because of your generosity.

WITH YOUR SUPPORT, I CAN...

I have paid for my own tuition throughout all my years of college. I also pay for my own rent, as well; therefore, I have to work a lot to be able to have the money to do so. Because of the scholarships I have received, I will be able to work significantly less and focus on my studies more.

WHY I CHOSE TTUHSC...

I chose to attend TTUHSC because of their prestigious educational opportunities that they provide. My professors have helped me succeed by encouraging me and allowing me to think on another level. TTUHSC will always hold a special place in my heart because of all the professional and social relationships I have built along the way.

BECAUSE YOU GAVE...

The generosity of donors to give to complete strangers is not lost on me. It is humbling that a donor deems me worthy of their donation to encourage my success. My plan for the future is to continue to learn as much as possible while in school and being a new nurse and to continue my education to obtain my Master's in nursing once I have an appropriate amount of experience. Being a nurse, I feel like I can serve the community and make a difference in someone's life. That gives me confirmation that I made the right career choice.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to focus more on my education rather than the financial aspect of classes. I will be using this scholarship to help pay for textbooks and other supplies necessary to complete the program. With what is left, I will be able to purchase graduation regalia as well.

WHY I CHOSE TTUHSC...

TTUHSC comes highly recommended and well regarded! I wanted to choose a program that would allow me to work, be a parent, and still be successful and this program fit the bill. What stood out to me is the number of programs offered in the healthcare industry. I want to continue my education and I can continue at this college with so many options available to me. TTUHSC is a school that I can be proud to say that I graduated from!

MEGAN MURPHY SCHOOL OF NURSING

BECAUSE YOU GAVE...

I am sincerely honored to have been selected as a recipient of your scholarship. My program is fast and intense, without any long semester breaks to try and gain some income. Foundations that support the financial needs of students are crucial for students like me. This year will be stressful, but I am incredibly grateful that you have alleviated some of that stress with your generosity. Thank you.

WITH YOUR SUPPORT, I CAN...

The scholarship will allow me to pay the rest of my tuition that was not covered by my Federal Student Aid. My program is intense. I am taking 20 hours a semester with only two weeks off between Spring and Summer and the Summer and Fall semester. I liked that I could focus on school all year long, but this schedule doesn't allow me to work during the program or in-between semester. I significantly contribute my relief in knowing that I can continue pursuing my dream of earning my BSN to you and your generous donation.

WHY I CHOSE TTUHSC...

The Texas Tech University Health Sciences Center nursing program is known for being the best in Texas, which is partially the reason why I chose TTUHSC. The main reason was that they had developed a program that can't be matched. I am returning to school to complete my accelerated BSN program in a little over 11 months. The program will allow me to achieve my dream of being a nurse in a fast pace environment without having to sacrifice the quality of education I am receiving.

BECAUSE YOU GAVE...

I want to say thank you for the amazing gift that I am receiving. As I am wrapping up my last semester in school, I have been stressing financially and overwhelmed with meeting deadlines. This was such a blessing and I couldn't be more thankful in receiving this scholarship. This scholarship gives me the motivation to ace this semester and get into gear to graduate with my title as Lauren Stone, BSN, RN. Thank you so much!!!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me tremendously because I am working full time to pay for school. For the past year, I have been doing school in the mornings, going to work at lunch, and then working into the late hours of the night. By receiving this scholarship, the burden of working overtime and trying to pay for school and all my other bills will be reduced. I knew I wanted to continue school and receive my bachelors in nursing but wasn't financially ready to start paying for school. I'm so grateful that now I can.

WHY I CHOSE TTUHSC...

Texas Tech has been the primary school that all of my family has attended throughout the years. This school has always been a high standard in my eyes and the opportunity to attend this college was my dream. LAUREN COOK **SCHOOL OF NURSING**

BECAUSE YOU GAVE...

I would like to say how thankful I am that I was chosen to receive this scholarship. My family has struggled with finances ever since my dad was diagnosed with cancer and is not able to help pay for my school. This scholarship allows me to not have to take out as many student loans and therefore not be in as much debt when I graduate. This money is so appreciated, and I am very grateful.

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly help me with not having to worry about finances as much. I don't receive funds from my parents so I solely rely on loans, grants, and scholarships. Receiving a scholarship reduces the stress of worrying about how much debt I will have when I graduate and how I will be able to pay it off. By receiving scholarships, I am able to focus more on school and less about financial stressors. It will also put me in a better financial position when I graduate, and for that I am very grateful.

WHY I CHOSE TTUHSC...

Being born in Lubbock, I have wanted to go to Texas Tech ever since I was a little girl. When I decided I wanted to go to nursing school and started looking at schools in Texas, TTUHSC quickly became my top choice. TTUHSC has an excellent nursing program, and I feel I am getting a very well rounded education here. I'm learning how to collaborate with other members of the healthcare team and contribute to the health and well being of my future patients. The programs success shines brightly through the NCLEX pass rates and I'm proud to be here!

Because of this gift, I can continue my education with less of a financial strain because of the cost. I hope to be able to graduate in May of 2019 and begin my career working at UMC hopefully in an intensive care unit setting. This scholarship will allow me to better meet my goals.

WHY I CHOSE TTUHSC...

I chose to attend TTUHSC because it is a prestigious school that produces nurses who can critically think and care for patients. The simulation center is one of the best in the country and NCLEX pass rates are very high. I know that my education at TTUHSC will allow me to be a very successful nurse in the future.

ELIZABETH RODRIGUEZ **SCHOOL OF HEALTH PROFESSIONS**

BECAUSE YOU GAVE...

Thank you so much for your contribution and believing in me. Your generosity has given me the ability to follow dreams and I cannot thank you enough for this opportunity. I am beyond excited and thankful to be given the opportunity to be apart of TTUHSC family and become a physical therapist, but it is through your generosity that it is possible. I have been working and dreaming of this moment for the past 4 years and to know that someone believes in me and my dreams as much as I do means so much to me.

WITH YOUR SUPPORT, I CAN...

This scholarship will help take off some of the financial burden by being able to fund my textbooks and tuition for my graduate studies. Being a recent graduate from my undergraduate studies this helps with the burden from paying for graduate school so soon after undergraduate and is much appreciated.

WHY I CHOSE TTUHSC...

The atmosphere that I experienced during my interview process was something that was unmatched by any other program. I felt that the faculty was so dedicated to their students and to their success and I felt like I was where I was supposed to be when I visited TTUHSC. The excellence and reputation of the program also aided in my decision to attend TTUHSC.
