BECAUSE YOU GAVE...

Thank you so much from the bottom of my heart for choosing me as a recipient of your scholarship. Times are tough, especially for someone with a full-time job and a full-time nursing student. This will greatly help out with some of my financial burden, I'm very grateful!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me with paying my necessary utilities, such as electric and fuel for my vehicle and other necessities. I know it's very difficult to work full time and be a nursing student, but for some of us not working is not an option. I have been on my own since I graduated high school. I'm not from here, so my mother is not here to help me out. It's been tough but I'm a resilient person and I have been working very hard towards earning my degree and I will not give up!

WHY I CHOSE TTUHSC...

I chose TTUHSC because I have always wanted to attend Texas Tech University, and after conducting some research I found out that TTUHSC's Traditional BSN program is ranked the number one in Texas. I want to be a part of that!

BECAUSE YOU GAVE...

I wanted to thank you kindly for assisting me with my financial needs in which it has allowed me to focus on my studies. I will be able to work harder on my studies and spend necessary time preparing for my classes rather than working extra shifts to cover the expenses of tuition.

WITH YOUR SUPPORT, I CAN...

As a full time student and working full time, I don't have any extra time to pick up hours like I need in order to cover the last portion of my tuition. This scholarship allowed me to not have to pull further loans in order to complete my payment to the school of nursing for this semester! This is a tremendous help and allows me time to focus more on my studies rather than financial burdens.

WHY I CHOSE TTUHSC...

I have always wanted to be a Texas Tech student. I am a Midland, Texas girl born and raised so it was a godsend for me to discover the Permian Basin chapter of TTUHSC. My dream of becoming a Texas Tech Alumna is more than just a dream, it will very soon be a reality!

BECAUSE YOU GAVE...

Words can't express how grateful I am to you for this generous gift. Thank you so much. It means so much to me. I promise to work hard so that this money goes to good use. This scholarship takes so much stress off of my shoulders. Thank you again for being so kind and caring about the students at TTUHSC. God Bless!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me focus more on school and worry less about paying for it. It will also take some stress off of my shoulders so that I can just stress on school. Since starting nursing school money has been really tight, so any little bit helps. It will make me work even harder so that I can accomplish my goals.

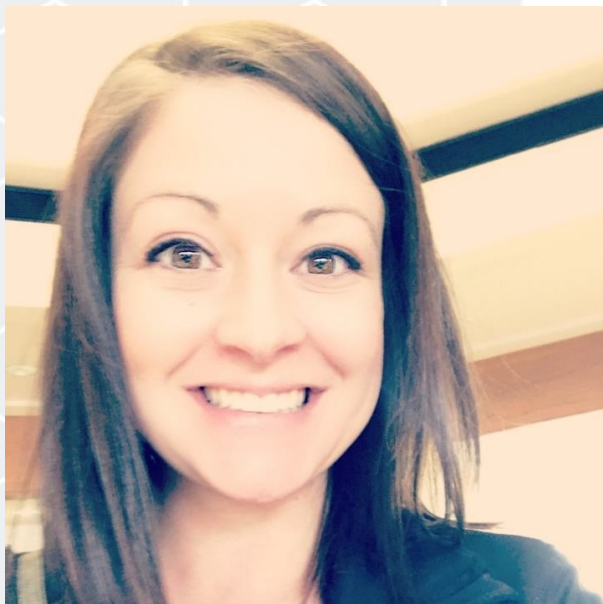

WHY I CHOSE TTUHSC...

I chose TTUHSC because everyone I talked to who went through this program told me they loved it. I also talked to other who went through other nursing programs and was told not to go to those. TTUHSC cares for their students and wants us to succeed. I have only heard great things about this program and now I see why. I am so glad I chose to come here and will highly recommend it to others.

BECAUSE YOU GAVE...

I am honored to have been selected as a scholarship recipient. My family and myself thank you from our hearts for your kind and generous donation that have helped me on my journey to becoming a Registered Nurse.

WITH YOUR SUPPORT, I CAN...

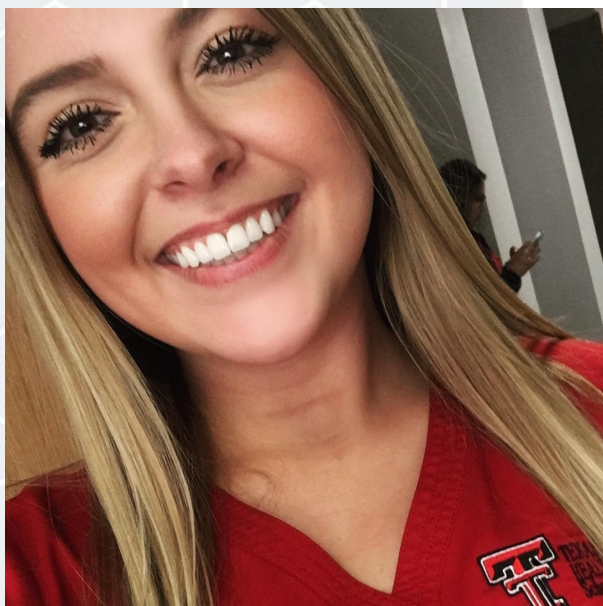

This scholarship helped me to buy books and supplies needed in level three necessary for academic success.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the quality health care professionals that each program produces. This university is among the elite and I am proud to say that I am a Red Raider Nursing student.

BECAUSE YOU GAVE...

I want to thank you from the bottom of my heart for providing me with the opportunity to continue my nursing career. This scholarship represents the investment you are making for my future in nursing and the future of the healthcare field in West Texas. I accept this honor proudly and consider myself extremely lucky to have been awarded this scholarship. I am truly blessed and tremendously thankful, as this opportunity allows me to fund my level three nursing term. Thank you for believing in me and giving me the means to serve as I have

WITH YOUR SUPPORT, I CAN...

This scholarship will be used to pay the remaining portion of my tuition for the fall term. It will be used to keep me in the nursing program and it helps prevent a financial burden from being placed on my family.

WHY I CHOSE TTUHSC...

I fell in love with the campus and the welcoming Red Raider environment six years ago when I graduated from high school. I received my business degree from Texas Tech and when I realized that my heart was somewhere else, I could only imagine getting my nursing degree from the Health Science Center. I have been a Red Raider since and haven't looked back. I am proud to represent TTUHSC with this prestigious scholarship.

BECAUSE YOU GAVE...

I would like to express my sincere gratitude for being chosen as the recipient of your scholarship. It is thanks to foundations like yours that allows students like me to focus on their studies rather than financial burdens thus allowing us to be successful in school and our future goals. I will continue to strive to do my very best in school and become a nurse that anyone will be happy to have treating them.

WITH YOUR SUPPORT, I CAN...

These scholarships will help me tremendously. Nursing school is not an easy task however worrying about financial burdens while trying to study does not help. This money will allow me to focus on my studies and stress about the important things like becoming an educated and safe nurse.

WHY I CHOSE TTUHSC...

I want to be the best nurse I can be and I knew that the only way for me to do so would be through this program at TTUHSC. TTUHSC is recognized for their Health Science Center and specifically their nursing program for producing nurses that doctors' feel comfortable trusting their patients' too. I am eternally grateful to be able to learn from the professors, practice skills at the simulation centers and go to clinicals within the community to apply my learning to real world scenarios.
