#### **BECAUSE YOU GAVE...**

This scholarship means a lot to me. I will never forget your help even I might not get the chance to meet you in person and really know you. It is a big motivation for me to finish my school and help others in the future.

#### **WITH YOUR SUPPORT, I CAN...**

I am an international student, my student visa does not allow to work outside the campus. Without any income, I was very stressed. By awarding this scholarship, it will allow me to focus on my studies by decreasing my financial hardship.

I heard all the people talked about how good this nursing program is, so I applied it. It turned out that I did the right thing. I love my school and all the nice people I meet here.
