BECAUSE YOU GAVE...

Thank you for this tremendous scholarship which will act as a catalyst for my success in TTUHSC. I am one step closer to being in a position to help those in rural communities gain access to healthcare and it is all thanks to this scholarship you have given to me. This scholarship will help pave my way to helping those in need and that is only possible with the help you have given to me in the first place.

WITH YOUR SUPPORT, I CAN...

I will use these scholarship funds to assist in making payments for tuition toward my BSN degree. This scholarship will allow me to decrease the amount on my loan that would have been utilized and can now be rerouted to the next payments. This will allow me to focus more on my immediate schooling rather than the increasing debt I am undertaking in order to achieve my goals for a rural practice.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of my connection to the University of Texas Tech. Having recently graduated from Texas Tech with my first bachelor's degree I sought opportunity to advance myself further and wishing to stay with the University of Texas Tech, I sought enrollment into the Advanced BSN degree offered here at the Texas Tech University Health Sciences Center. Soon I will try to continue my connection with Texas Tech as I attempt to further my education via the BSN to DNP program also offered here in my Alma Mater.
