

CALEB LAWSON SCHOOL OF NURSING

BECAUSE YOU GAVE...

Thank you for making this scholarship possible. After obtaining two undergraduate degrees and one graduate degree, the cost of this program felt like too much to take on financially. This scholarship helps alleviate some of the financial burden and puts me one step closer to my goal of becoming a nurse. My dream is to become a nurse that advocates for mental health. This scholarship lets me know that some cares about my education and gives me the drive to push forward towards my dream.

WITH YOUR SUPPORT, I CAN...

I will use these funds to help alleviate some of the costs that come with purchasing materials for school. I will now be able to purchase uniform components like a stethoscope as well as purchase books for my courses. These funds will allow me to come to class and clinical hours prepared to learn.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the accelerated BSN program. My background is in wind energy and sociology, but this program allows me to study and complete a nursing program in 12 months instead of 24 months. After being in school for six years, I am ready to begin a career that I am passionate about and the TTUHSC is the best place to achieve this.

SCHOOL OF NURSING

BECAUSE YOU GAVE...

I would like to say thank you very much! You don't know how much I appreciate being a recipient of these scholarships. I am beyond happy that thanks to you, I don't have to worry as much about paying for school. You are very much appreciated and again, thank you. I will not let you down and plan on continuing to give everything my best effort. Thank you!

WITH YOUR SUPPORT, I CAN...

It will help me by easing the financial burden. I will be able to reduce my hours at work and I can focus on my studies. Also by working less, I now have more time to volunteer and participate in extracurriculars like TNSA.

WHY I CHOSE TTUHSC...

I choose TTUHSC SON because of their high NCLEX pass rates. For it to consistently be 95% or higher, I knew that by attending this school I would be prepared for my future career as a nurse. Additionally, I am very thankful that TTUHSC SON offered me a spot in their Summer 2019 cohort.
