As a mother of three little ones, going back to school for my Masters in Nursing Education seemed like an impossible dream. In my role as Skin Care and Ostomy nurse, education is key. I am currently in my second semester of the MSN program with anticipated graduation in Fall 2020. BECAUSE YOU GAVE...

I could not be more ecstatic to receive this award! Upon hearing of this honor, my family and I cannot be more grateful and appreciative. A little about myself.
