SCHOOL OF NURSING

BECAUSE YOU GAVE...

Words will never truly express the gratitude I will always have for you hand selecting me for this wonderful opportunity of a scholarship. You have made a hardworking student really feel like her hard work is paying off to someday make a difference in this world. Thank you so much.

WITH YOUR SUPPORT, I CAN...

I am currently pursuing a Bachelor's of Science in Nursing at TTUHSC in Abilene, Texas. This scholarship will benefit me tremendously with the costs that come with attending college. The scholarship amount will get me that much closer to earning my degree and pursuing my goals of helping others the way you have helped me. I can do this by providing my knowledge and skills as an RN to those in low-income communities who may not have as much access to healthcare as others do. (example: non-profit clinic, hospital, etc.)

WHY I CHOSE TTUHSC...

The 95% First-Time NCLEX pass rate is enough to sway anyone into choosing TTUHSC. Aside from that, TTUHSC provides a close, family-type community feel. TTUHSC provides MANY opportunities, from aiding us with a food pantry in times of need, all the way to free counseling sessions. Things like this prove that TTUHSC truly cares about the well being of their students in every way they possibly can. I have never felt more accepted at another school in my entire time in college. TTUHSC isn't just my college. It is my home.
