BECAUSE YOU GAVE...

I would like to say, wholeheartedly, thank you so much for the scholarship! I had no idea that I would be chosen. It is an honor to represent the endowment and I will do my very best to make the endowment proud.

WITH YOUR SUPPORT, I CAN...

This scholarship will help in multiple ways. It will assist me with the remaining books that I need to purchase as well as I can apply the remaining towards the balance of the student loan that I had had to take out to complete my BSN studies

WHY I CHOSE TTUHSC...

I have always heard fantastic reviews about Texas Tech from other nurses that I've had the pleasure of working with. These nurses had already attended the BSN program and had already begun their BSN to MSN program or further. Those nurses were great influences on my decision

BECAUSE YOU GAVE...

Due to your generosity I am given an opportunity to take my future farther and hopefully be a Labor and Delivery nurse. Thank you for your contribution in making my dream a reality.

WITH YOUR SUPPORT, I CAN...

This scholarship has made it possible for me to continue my education by assisting me in paying for school. This will help me decrease the amount of loans I have to pull out for this semester and be able to focus more on my studies.

WHY I CHOSE TTUHSC...

I joined the military right after high school and became a military nurse. I provided care for those who needed it on base, and I enjoyed it so much that when I got out of active duty, I wanted to further my career and get my Bachelor of Science in Nursing. While still in the reserves I overheard a friend of mine talking about a nursing program at TTUHSC that is catered to veterans that were in the medical field. It was exactly what I was looking for and I am so glad that I am here now!
