

## REBECCA BRUBAKER SCHOOL OF NURSING

### BECAUSE YOU GAVE...

I never thought it was possible 27 years ago that I would be earning a master's degree. My grades were never that high until my BSN when I concentrated more on academia and pursuing my career in nursing. I have been blessed by TTUHSC this semester by being awarded this scholarship to assist me in my finances for the semester. I plan on staying in the hospital system once I pass boards as an AGACNP. I plan to give back to the community in which I serve by volunteering in the future and also precepting new AGACNP students.

### WITH YOUR SUPPORT, I CAN...

This is assisting me in affording my last semester as an AGACNP student. This money will be directly used to pay a portion of the student loan I took out for the Spring 2020 semester. I am a single female without other income but mine coming in. This is a huge blessing.

### WHY I CHOSE TTUHSC...

I choose TTUHSC for the reputation in the Texas community of nursing to pursue my AGACNP degree. I am almost done and I have had a great experience while attending TTUHSC. My mentor specifically suggested Tech over any other college to attend as they have a great reputation in the APRN community. I am a first-generation college student and first MSN within my family. I have been attending school for nursing since I was 19. I was raised by a single mother with only her HS diploma.

#### **BECAUSE YOU GAVE...**

I want to thank you for selecting me as the recipient of the scholarship. It is an honor, and I am very appreciative of it. Thank you for your generous scholarship. I also plan to pursue further studies as a nurse practitioner upon graduating from Texas Tech University School of Nursing.

#### **WHY I CHOSE TTUHSC...**

I read good reviews about the TTUHSC School of Nursing, and some of my seniors have graduated from here. I heard it had a good online nursing program and faculty and professors were accessible. I am glad I made a good choice.

## JESSICA MCNISH SCHOOL OF NURSING

### BECAUSE YOU GAVE...

I am humbled and grateful to know the generosity of a stranger could afford me the opportunity to pursue my dream of advancing my career, and more importantly, my education. I am inspired by the gesture so much that it will be a top priority of mine to do the same for another student in the future.

### WITH YOUR SUPPORT, I CAN...

This scholarship will help me tremendously with the financial aspects of pursuing advanced degree in nursing. I will not need to work as many hours to pay for tuition, and will be able to focus more on my assignments and school work. I truly am enjoying the curriculum so far and want to pull as much from this program as possible. My goal is not to "just get by", but to excel and learn as much as I possible can. Juggling a full time job, two kids with full schedules of their own can make it difficult to give the necessary time and attention to the assigned work. By working less, I can give that much more of my attention to the assignments that are designed to prepare me for real work advanced practice nursing.

### WHY I CHOSE TTUHSC...

I did research before applying to any school. Based on the information I found online and many experienced nurses (both who have been in the program and those who have worked with graduates from the program), Texas Tech has the best reputation for preparing nurse practitioners. It seems like many schools, especially online schools are popping up left and right. I wanted to be sure the degree I earn carries its weight and I come through as prepared as I possibly can. I'm very proud I was accepted into Texas Tech's program and I'm proud to be a Red Raider!
