SCHOOL OF NURSING

BECAUSE YOU GAVE...

I would like to sincerely thank all donors for their generosity in providing financial aid to students. It helps immensely to relieve some of the financial burden of being a full-time student.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me to be able to focus on my studies and worry less about financial burdens. Time management in an accelerated course is a challenge however, receiving scholarship money will allow me to work less and dedicate my extra time to school and becoming the best nurse I can be.

WHY I CHOSE TTUHSC...

I was drawn to TTUHSC for their history of excellence and word of mouth about how well-prepared their nursing students were for the rest of their careers.
