BECAUSE YOU GAVE...

I would like to say thank you very much! You don't know how much I appreciate being a recipient of these scholarships. I am beyond happy that thanks to you, I don't have to worry as much about paying for school. You are very much appreciated and again, thank you. I will not let you down and plan on continuing to give everything my best effort. Thank you!

WITH YOUR SUPPORT, I CAN...

It will help me by easing the financial burden. I will be able to reduce my hours at work and I can focus on my studies. Also by working less, I now have more time to volunteer and participate in extracurriculars like TNSA.

WHY I CHOSE TTUHSC...

I choose TTUHSC SON because of their high NCLEX pass rates. For it to consistently be 95% or higher, I knew that by attending this school I would be prepared for my future career as a nurse. Additionally, I am very thankful that TTUHSC SON offered me a spot in their Summer 2019 cohort.

BECAUSE YOU GAVE...

I would like to express my gratitude for your generosity of providing me with scholarship money to continue my education. My goals and plans after graduation is to become an ER or ICU nurse to take care of and attend to some of the sickest patients. This opportunity is a huge encouragement to strive within the nursing program and focus on my goals, without a financial burden. The fact that I was chosen out of many applicants to receive this scholarship is confirmation of the potential you see in me. Thank you so much.

WITH YOUR SUPPORT, I CAN...

I am fortunate to receive this scholarship because it will ease some financial stress with tuition. I plan to use this scholarship solely toward my education so I can be a successful nursing graduate this fall. I am on my own in regards to using financial aid and relying on student loans in order to get me through the program. This opportunity is an enormous help and will allow me to be financially able to continue my education!

WHY I CHOSE TTUHSC...

I am a previous Texas Tech graduate with my B.S in Human Development and Family Studies. I have always been interested in attending the nursing program at TTUHSC because my friends who graduated from the school of nursing had nothing but wonderful things to say about their experience. They are great nurses and have excellent reputations at the facilities they currently practice at. I have witnessed first hand that the TTUHSC best prepares future nurses to strive and sets them up for success in the real world.

BECAUSE YOU GAVE...

Thank you so much for your generosity. I will work harder to achieve my dream. I hope to help others in the same way you have helped me. Upon completion of my nursing degree, I plan to volunteer in underprivileged community. This scholarship means a lot to me. I am forever indebted.

WITH YOUR SUPPORT, I CAN...

This scholarship will lessen my financial burden as I pursue a nursing degree at TTUHSC. One of the biggest hurdles in receiving higher education has been financial responsibility as I was grown up in a socioeconomically disadvantaged environment. This aid will definitely alleviate some of that financial pressure and will help to focus on my studies. I am grateful for this gift and will be using to pay my tuition.

WHY I CHOSE TTUHSC...

I received my undergraduate degree in Clinical lab science from TTUHSC. It was an easy decision to choose TTUHSC for my nursing school because my expectation had been exceeded while I was there and have been exceeded now that I am in the nursing program. I have no doubt that TTUHSC 's vision and best faculty members are preparing me for success.

Thank you so much for your generosity and your kind consideration of me in this award. I am so grateful and cannot adequately express how honored I am to have been selected for this scholarship from among so many other highly competitive nursing students. I hope to one day make a difference in the lives of others and your generosity has certainly made a difference in mine.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me achieve my goals throughout nursing school and into the future without having to worry about the considerable financial burden accompanied with college. This award has assured me that I can make a difference in the nursing field and achieve my goals for the future, regardless of obstacles that I may face.

WHY I CHOSE TTUHSC...

I attended Texas Tech University for my prerequisite courses and as cliché as it sounds, I fell in love with the environment, the people, and the education that I received. This made the transition to TTUHSC seem like the obvious choice to continue my nursing career, and I am so glad that I did. TTUHSC has given me the opportunity to succeed and sometimes, more importantly, to fail in a safe environment in order to learn the most I can about preparing for my future career as a nurse.

BECAUSE YOU GAVE...

I am grateful to be awarded this scholarship. I will be able to focus more on my education because it will alleviate some of my financial stress. Your generosity is allowing me to be one step closer to my goal, and I hope that one day I am able to help another student, the same way you helped me. Thank you for this opportunity.

WITH YOUR SUPPORT, I CAN...

I am utilizing my benefits through the Post 9/11 GI Bill. Upon being granted financial assistance with The Veterans Affairs, I was surprised to learn that although I reside in San Antonio, my monthly stipend was much lower than I had anticipated. The cause for this reduction was due to TTUHSC location in Lubbock, Texas. By being awarded this scholarship, I will be able to focus on my education, because it will alleviate some of my financial stress.

WHY I CHOSE TTUHSC...

When I was looking for a Nursing program, I came across several schools that offered a Veteran to BSN program and I called them. When I talk to the persons involved in TTUHSC, I sensed caring and commitment to their students. Kyle Chapman specifically helped me so much, even when I had to deploy after being accepted into the program in 2017. He still kept in touch to make sure I was ok, and kept me informed of changes that needed to be address. From that alone, I knew I had picked the right school.

BECAUSE YOU GAVE...

I would like to thank this donor for their immense generosity. Because of this scholarship I am able to continue this program while taking on less student loans. As a mom with a young family, I am incredibly thankful for this opportunity to show my little girls what hard work and perseverance can bring. My experience is not something I take for granted and this scholarship is a gift that I will always be thankful for.

WITH YOUR SUPPORT, I CAN...

This scholarship is such a blessing! As a mom of two little girls, ages 2 and 3, and a single income family, going back to school has been a financial stretch. This scholarship is helping us ease that burden and continue on with my studies as a nursing student.

WHY I CHOSE TTUHSC...

I chose TTUHSC for it's fabulous reputation of producing some of the top nursings and medical staff in the country. TTUHSC has such unique, hands on programs that really give the student a full immersion experience. As a second degree student with very little medical experience this program has been such a blessing to me by giving me a well rounded experience with an incredible amount of hands on clinical experience. I know that because of this program, I will be able to go into my nursing career with the knowledge and confidence needed to be the best nurse I can be.
