

VICTORIA SUTTON SCHOOL OF NURSING

BECAUSE YOU GAVE...

I recently was asked to become a tutor. I agreed to the position in hopes to make a little money to finish paying my tuition. The hiring process has been long. I was asked by professors and several students when I would become "official" so that I could start helping. I decided to make time to work with them (without pay) while awaiting my official start. This scholarship means so much to me and really has solidified my actions and taking the time to help others simply because it is the right thing to do. Thank you so very much.

WITH YOUR SUPPORT, I CAN...

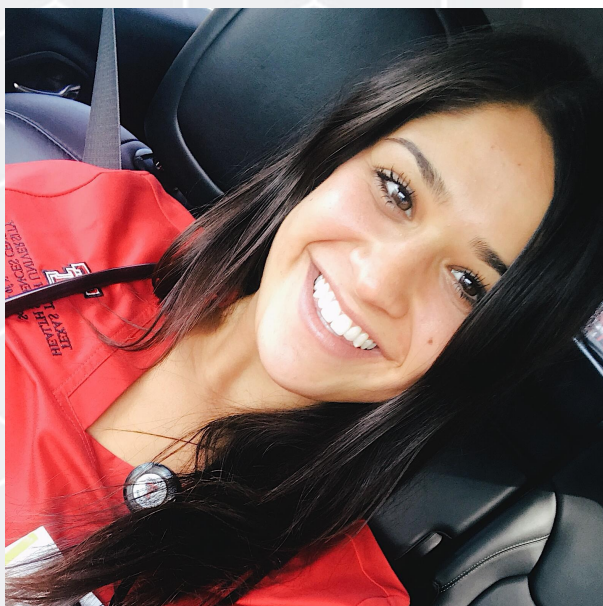

Receiving this scholarship will help me finish paying for this semesters tuition!

WHY I CHOSE TTUHSC...

Texas Tech University of Health Science Center has a reputation of competent and caring nurses. I felt as though the program was what I needed to unmask my potential and give me the foundation I needed to become a successful nurse.

This scholarship will help me tremendously! I am so grateful that I will be able to finish nursing school without having to increase my hours at work, which would ultimately interfere with my grades. This scholarship will alleviate some of the stress I have financially so that I can focus on doing well in school. The \$500 will help pay for bills and expenses while living in Abilene and attending TTUHSC.

WHY I CHOSE TTUHSC...

I decided to go to TTUHSC because of their values and beliefs. Tech provides a positive atmosphere that encourages growth, innovation, and diversity.
