SCHOOL OF NURSING

BECAUSE YOU GAVE...

Thank you so much for your incredible generosity and kindness by granting me this scholarship. I joined the military at the age of 19 as a Combat Medic and knew more than anything I wanted to provide medicine to those who couldn't afford it or those who needed it most. I had the opportunity to deploy over seas for just under a year helping not only American Soldiers but foreign nationals. It truly turned my burning desire to be a nurse into a dream I knew I had to complete.

WITH YOUR SUPPORT, I CAN...

I am a Veteran and receiving this scholarship will help me considerably in purchasing books and all accessories that will be needed to be successful in this program. I have also applied for the trip to Peru during the summer semester, so this will help me in the costs associated with that trip. Every little bit earned will be put towards my education and being a successful nurse.

WHY I CHOSE TTUHSC...

I chose the Texas Tech University Health Sciences School of Nursing because they have the VBSN program and are incredibly veteran friendly. It gave me a sense of purpose and made me feel like I was welcome and the skills I have from the Army were welcomed into this program and into Texas Tech. All of the staff were incredibly inviting and were also very encouraging when I met with them. This program will set me up for being the best possible nurse that I can be.

KARSYN HUNT SCHOOL OF NURSING

BECAUSE YOU GAVE...

I would like to express my greatest and deepest thank you for providing me with this scholarship. This award comes with such gratitude and relief for my future. At the beginning of this semester I was under the belief that I would not be able to continue my education into the level 3 semester because I could not afford school by the end of level 2. Thanks to this wonderful gift, I can now confidently say that I will be able to continue in this amazing program.

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly help me achieve my goals in becoming an exceptional nurse. Throughout college, I have been required to support myself financially because my parents simply do not have the funds to help me. My mother had to retire from law enforcement under medical disability after getting injured on the job. Since the incident, she has undergone many surgeries that have let her whole entire spine fused. Also, this past year my father recently lost his job, leaving both parents unemployed. This scholarship helps relieve financial stress and allows me to focus more energy on my studies rather than stressing over having enough hours at work.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of how amazing the program is, and them becoming the number one large nursing school in Texas. Tech's Nursing Program produces the best of the best nurses and that is the type of nurse I desire to be. I also have always felt a sense of home and belonging here in Lubbock and being a Red Raider.
