It is truly an honor to be selected as a recipient of this scholarship. Your investment will help me achieve my goal of becoming a registered nurse and I am so thankful for that. Upon graduating from TTUHSC School of Nursing, I plan to further pursue my studies in becoming a nurse practitioner. Thanks to your investment in my education, I will be able to accomplish this goal and use my knowledge to help those within our community to live a longer healthier life. Thank you!

WITH YOUR SUPPORT, I CAN...

This scholarship is assisting me in achieving my goal of becoming a registered nurse. This will help tremendously in being able to cover expenses to pay for my education. I plan to use these funds to pay for required school books and supplies. I intend to purchase any additional required online course programs needed for my classes.

WHY I CHOSE TTUHSC...

I am a TTU alumni and I knew right away that I wanted to attend the nursing school at TTUHSC. As one of the top nursing schools in Texas; their mission, values and vision for their students is exactly what I wanted to be a part of. Thank you so incredibly much for choosing me to receive this scholarship. It means so much to my family and I and I hope that one day I get the chance to make someone feel as special and blessed as I do right now. What a great opportunity I have been given to even be able to go to school at TTUHSC and now I can really focus on being the best I can be. From the bottom of my heart, truly, thank you!

This will take off so much of the financial burden and worry that comes along with school, especially during my current job transition to achieve better opportunity. This scholarship allows me to focus more on my child while at home as well by providing me some financial leeway.

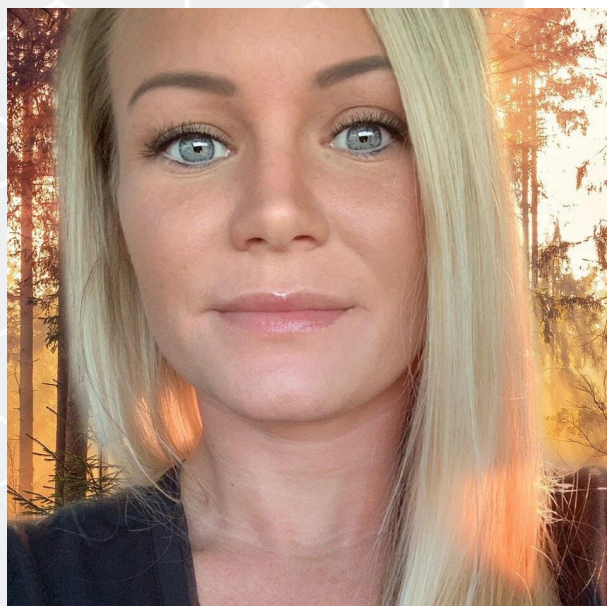

WHY I CHOSE TTUHSC...

I was born and raised in Lubbock, GO TECH! I also have many friends that have graduated from the RN-BSN program and they spoke very highly of it

BECAUSE YOU GAVE...

I can not thank you enough for such a generous offer. I am beyond honored to have been chosen out of many applicants to receive such an incredible amount of money to aid with financial burden while in school. I will not let this scholarship be wasted. I will finish nursing school strong, and become the best nurse I can be after graduating from TTUHSC School of Nursing. I hope to one day give to others as you have for me, so that they can also move toward achieving their goals. Again, thank you.

WITH YOUR SUPPORT, I CAN...

These scholarships significantly help with the minimizing of financial strain, so that I can continue to focus on my studies as a full time student.

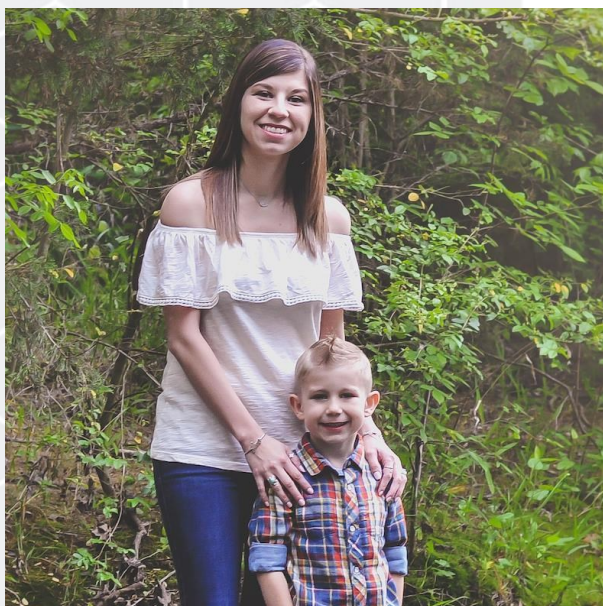

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the high first-time NCLEX pass rates. With numbers like that, they must be doing something right by their students. My experience with them so far, I can tell you that their methods are having an impact on me as a future nurse.

BECAUSE YOU GAVE...

I am extremely blessed to have been chosen as a recipient for this scholarship! "Thank you" simply does not say enough to prove how grateful I am. Thank you for allowing me to continue to pursue my nursing dreams!

WITH YOUR SUPPORT, I CAN...

As a single mother to a wonderful 7-year-old son, these scholarships will help me tremendously! I have been working a full-time job at a hospital as well as a part-time job at a family practice office so these awards will allow me to focus more on my education and my family! I will also be able to pay towards my student loans that I had to get to finish this program.

WHY I CHOSE TTUHSC...

After consulting with a few different RN to BSN programs, it was easy to see that TTUHSC was the best choice for me. I really felt like the education I would be receiving from TTUHSC would better prepare me for the BSN role. I plan to further my education with my FNP with TTUHSC as well!

BECAUSE YOU GAVE...

I would like to express great thanks to the donor for this scholarship. My mother was recently diagnosed with cancer and funding my education has been difficult, but with your great generosity, I will be able to utilize the money to pay for my education.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me fund my education and reach my goals of earning my BSN. My parents would like to contribute funding for my education, but with their current circumstances, they are unable to help me pay for my education. Receiving this scholarship is a blessing I am very grateful for.

WHY I CHOSE TTUHSC...

I completed my undergraduate degree at Texas Tech University and most of my best memories were made at this school. Being a member of the honors college, I had dedicated, intellectuals as professors and I never questioned the education I was receiving. I knew that I would have the same, if not better, experience at the TTUHSC School of Nursing.

BECAUSE YOU GAVE...

Thank you so much for your generous contribution. I cannot express how much it means to me. This contribution helps relieve my financial stress, and I appreciate it so much.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me with tuition. Since I am graduating in August, I am currently looking for a job in the Dallas-Fort Worth metroplex. The money I am saving from tuition will be put towards gas when I travel to interviews.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of many reasons. When deciding on a nursing school, I admired the simulation, environment, and the class size. The people were the reasons I decided to attend TTUHSC-SON Lubbock. The professors care about the students, invest in each student's education, and demonstrate the attributes of what it takes to make a great nurse.
