SCHOOL OF NURSING

BECAUSE YOU GAVE...

I'd like to say thank you for assisting me in reaching my goals and dreams. A degree in nursing will allow me to touch many lives in the future and I am forever grateful for this opportunity. To be able to attend a university such as TTUHSC is a dream come true. I am fully aware that there are many people who do not have such opportunities and that is why I feel responsible to make the most of my education and to one day give back to the community that has given me so much.

WITH YOUR SUPPORT, I CAN...

School demands my full attention and energy; being awarded this scholarship allows me to be a little less anxious about the financial toll that comes with obtaining a BSN. This scholarship means that I am able to breathe a little easier during study times, testing, and clinicals and become the nurse that I know I can be.

WHY I CHOSE TTUHSC...

Choosing TTUSC was one of the easiest decisions I've ever made. I attended Texas Tech University for my first degree and my experience surpassed any and all expectations. I knew that the TTUHSC would uphold the same standards and have their student's success in mind at all times. This university has allowed me to grow as a person and as a student and given me ample opportunities to feel challenged and supported. During my initial interview I met some of the faculty from each campus and their enthusiasm about the program only confirmed that TTUHSC was the school for me.
