SCHOOL OF NURSING

BECAUSE YOU GAVE...

I have wanted to be a nurse for a long time now. I have been given a chance to go back to school, it has been very challenging. I am a single mom of 4 children. I have been working full time, going to school full time, and taking care of my children. This scholarship will help lessen the financial stress that I have, due to the fact that I cannot work during nursing school. My goal is to become an OR Nurse. I appreciate your generosity. Your generosity is very inspiring.

WITH YOUR SUPPORT, I CAN...

This scholarship is making it one step easier to achieve my dream of becoming a registered nurse. It will help cover the expenses associated with my education. I will be able to afford my textbooks and necessary school supplies for the upcoming semester and devote all my focus to my studies.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it is a very reputable school. I have been living in Lubbock since 2012, and the people are what make Lubbock. The people are very friendly and I fell in love with Lubbock. I was so excited to find out that Texas Tech had a Veteran to BSN program for me to attend. I was in the Navy for 7 years as a Hospital Corpsman. The program allows corpsman and medics to use all of our knowledge that we learned, and apply it towards getting our BSN.

SCHOOL OF NURSING

BECAUSE YOU GAVE...

Thank you for selecting me. I am very humbled and appreciative that there are people that believe in my ability and that are willing to help my journey. I've care for patients on the streets of San Antonio, to the battlefield of Afghanistan, to the clinics of University Health System and this is all I've ever wanted to do with my life. I'm very proud to receive this scholarship and will strive to maintain the values I learned in the Army of, loyalty, duty, respect, selfless service, honor, integrity, and personal courage, and apply them to my practice as those values have helped shape me into person I am today. Thank you for your support.

WITH YOUR SUPPORT, I CAN...

This will help my family alleviate some financial burden since I'm not work full time but also allow me to cut a few hours from my part time job and focus more on my work. I try to maintain a high standard when it comes to my studies and this will help give me some peace of mind to focus more. My wife and I are expecting our second child in November and with graduation shortly after, I'm trying to stay focused and stay motivated to complete this program with high marks because there is a lot riding on me completing this year of school. And with the cost of materials and book, everything adds up quickly. This year has been the most expensive year for me but this scholarship will definitely help me in the coming semester for any other costs that I might incur.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I had always wanted to attend that school. I knew nursing was something I always wanted to pursue and when I found out that TTUHSC offered a accelerated BSN program fit for veterans, it was my top choice. I worked very hard to keep my grades up and get into this program, this was a perfect fit for me. I had been a critical care LVN in the Army and the accelerated course was perfect for my lifestyle and enabled me to have better control over my schedule. I applied to only one other school but followed up constantly because I wanted to be a part of the veteran program. Being in this course is very challenging but I'm glad I chose this school and I'm looking forward to more graduate courses with TTUHSC.
