BECAUSE YOU GAVE...

Thank you for providing to students and allowing us to pursue an education in the health sciences. Your support is truly appreciated, and I plan to pay it forward in the future.

WITH YOUR SUPPORT, I CAN...

During this year I will have to travel to complete various clinical rotations. This scholarship helps me afford these valuable experiences to better my career and help prepare me for my hopeful career in pediatrics. I cannot say thank you enough for allowing me to do this without worrying about paying for it.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the commitment to preparing students for careers in their respective fields as well as the emphasis on clinical experiences. I've had a great experience so far at TTUHSC, and I am so grateful for my education.

BECAUSE YOU GAVE...

Thank you so much for your generosity. My family really appreciates this more than you will ever know. I have always had a passion for pharmacy but the financial burden of professional school can add stress. This was a joy to read this morning. Every bit helps! I am including a picture from my wedding day for you to see the family you are helping!

WITH YOUR SUPPORT, I CAN...

I recently got married in March, and this scholarship will help me and my growing family financially! Getting married as well as attending professional school has added more stress but has been 100% worth it. This scholarship helps decrease the financial burden of getting my PharmD!

WHY I CHOSE TTUHSC...

Being born and raised in Lubbock, I wanted to stay in West Texas in order to serve the community I have known my whole life. TTUHSC has always given me a sense of home. During my 3 years at TTUHSC, I have always felt like family. Every employee of TTUHSC makes sure you are always taken care of and always roots for their students. I could not ask for a better pharmacy school experience!
