#### **BECAUSE YOU GAVE...**

I am truly grateful for this generous gift and hope I am able to help future generations achieve their dreams and goals.

#### **WITH YOUR SUPPORT, I CAN...**

This scholarship will help fund a rotation to Washington State to study maternal fetal medicine and the impact pharmacy can make on psychiatric and pregnancy matters.

#### **WHY I CHOSE TTUHSC...**

I came to TTUHSC because the students and faculty were overwhelmingly kind, knowledgeable and generous and I knew that my four years in this program would not only make me a better healthcare professional but a better person as well.
