### **JERRY H. HODGE SCHOOL OF PHARMACY**

#### **BECAUSE YOU GAVE...**

Thank you for this generous scholarship. I will continue to work hard and do my best learn and provide quality patient care. I am proud to be involved in the Abilene community and will remain active. I truly appreciate your support and hope you will maintain your support to pharmacy students in the future.

#### **WITH YOUR SUPPORT, I CAN...**

The scholarship will help me obtain my goal of becoming a pharmacist. The financial support will allow me to place a larger emphasis on my studies resulting in a deeper understanding of the material. Pharmacy school is stressful and it will be a great relief to not be as concerned about the cost of my education.

#### **WHY I CHOSE TTUHSC...**

I selected TTUHSC because of the strong sense of community and rigorous courses. The class requirements and rotation experiences available at TTUHSC provide me the opportunity to become a well-rounded pharmacist and I wanted to be involved in a school that would help me excel as well as progress the field of pharmacy.
