JERRY H. HODGE SCHOOL OF PHARMACY

BECAUSE YOU GAVE...

I would like to thank you for your generous contribution to Medco Health Solutions scholarship. I am very grateful to be chosen as a recipient of this scholarship. Pharmacy school is expensive, so every dollar I receive makes a huge difference. I am an upcoming third year pharmacy student and will be graduating in the year of 2021. Your contribution relieves some of the financial burden that I will incur this upcoming year. Your donation has inspired me to go forth and do the same in the future. I hope that once I'm out of pharmacy school, I can too contribute to the community as you have. Again, thank you for your contribution and choosing me as a recipient.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me pay for living costs associated with living in downtown Dallas.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I loved the atmosphere. The staff and faculty were all very inviting and seemed willing to help us succeed during our pharmacy school years. I interviewed at the Abilene campus, and I loved the campus and the technology it had to offer.

BECAUSE YOU GAVE...

I am honored to be receiving this scholarship of \$1,000. With this scholarship it opens many possibilities to be able to go outside the TTUHSC campus and volunteer at community service events and be apart of organizations outside of the school. Being a student of pharmacy, I have learned that my profession is not all about counting medications, or counseling patients on their medication regimens, but it is also to use my expertise and resources to be able to give back to the less fortunate.

WITH YOUR SUPPORT, I CAN...

The \$1,000 given to be by the Medco Health Solutions Scholarship will help me immensely in my day-to-day tasks for my education, paying bills, and having the opportunity to squeeze in a social life. These last two years of my pharmacy career I will be stationed in Dallas, Texas, and with that being said, all that I have heard about the Dallas campus is the word, traffic. This \$1,000 will definitely help me commute from my rotation sites, to campus, to my apartment, and then to wherever I need to go next. It brings me great honor to have received such a kind donation, because the scholarship helps take a burden off of my shoulders.

WHY I CHOSE TTUHSC...

Having accomplished my undergraduate degree with a bachelors of science in chemistry, I remember what the feeling was like as I drove into Lubbock in August of 2013. The feeling was that I was home, and this was the place I belonged for the next four years.

WHY I CHOSE TTUHSC...

I was made aware by a current class of 2020 student of TTUHSC great number of clinical hours. After this, and my own research, I knew this was the school I wanted to attend.

BECAUSE YOU GAVE...

Thank you so much for your generous donation. This scholarship will help relieve some financial burden and allow more time to focus on school and rotations. I am honored to receive this scholarship and because of your scholarship, I know that I will do well in school and become a great pharmacist. Thank you again.

WITH YOUR SUPPORT, I CAN...

I work 2 jobs currently and receiving this scholarship will help me decrease my hours at work. Doing that will give me more time to focus on my rotations and focus on studying for board exams during the school year.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it has one of the best reputations for students wanting to go into clinical pharmacy. TTUHSC also offers most clinical hours out of the pharmacy schools in Texas and I learn better through hands-on training rather than sitting in a classroom. When I came to TTUHSC for my interview, it felt like home. Everyone was very friendly and the students had nothing but good things to say about TTUHSC and the culture here.
