WITH YOUR SUPPORT, I CAN...

Financial assistance is a necessity for my career which require several years of education that is beyond my undergraduate level. Especially having money through scholarship has more significance and benefits and is most desirable form of financial aid. I am a Mom of three children. It is my husband's responsibility to cover all our expenses. As I am dependent on my husband help, this award brings a great relief for my family and it lightened my financial needs. As a result of your help, I am motivated to work hard and reach my goals. Then after, I can serve my community as all good things have done to me. To be precise, this scholarship will greatly contribute to lighten my financial difficulties and it will allow me to focus more on my studies and projects. Thank you again for your generous support.

WHY I CHOSE TTUHSC...

TTUHSC is nationally recognized for innovative program and academic achievement. It is a school of pharmacy recognized as one of the nation's best. It is known for excellence in clinical, rural, community and administrative pharmacy. I am also recommended by people who know more about the school. Another reason which made me choose this school is its less tuition. I am from Ohio. I had the information that Texas has the best pharmacy schools. I also got recommendation from people that TTUHSC is among the best three pharmacy schools of the state plus after I read the rates and students' comments, I decided to make this TTUHSC as my first choice. I am so lucky to get admitted and become part of TTUHSC pharmacy school which was my long-time dream.
