

LISANDRO HEREDIA

JERRY H. HODGE SCHOOL OF PHARMACY

BECAUSE YOU GAVE...

Simply, Thank You! Generous donors like yourself have made it possible for me to go to school, for me to achieve my dream. I am a first-generation college student. There is always a little worry in the back of my mind thinking 'where is the next dollar to pay for school going to come from?' If it wasn't for the contributions made, I wouldn't be in the position I am in today. For that, I will always be grateful. This gives me the motivation to push forward, be responsible, prevail because I know people are counting on me. I know my family is counting on me, my friends are counting on me, the people that have put their time and money are counting on me. Your contribution plants a seed that will grow with time. With your help, I will be able to give back to the community. From the bottom of

WITH YOUR SUPPORT, I CAN...

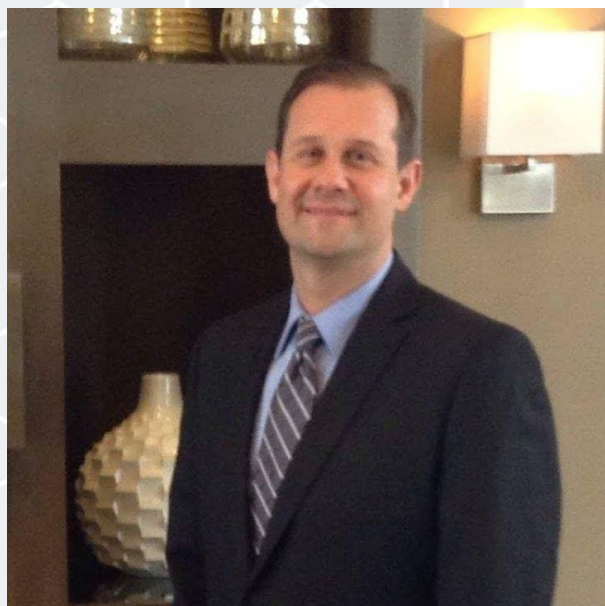

This scholarship will help me lower the amount of loan money I have to take out.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of its long-standing effort to help rural communities. Coming from a smaller town, finding proper health care in those areas is difficult and expensive. I see the commitment and success TTUHSC has towards West Texas and its rural communities, and I wanted to be a part of that.

JERRY H. HODGE SCHOOL OF PHARMACY

BECAUSE YOU GAVE...

Estoy muy agradecido de recibir esta beca. I am very grateful to receive this scholarship. I will continue to prove that I do have what it takes to not only be a successful student, but an outstanding pharmacist. Walgreens, in many ways, gives back to the community. I too believe in giving back to my community. With the Hispanic community steadily rising in Amarillo and other parts of Texas, I will continue volunteering and helping Spanish speaking patients get better health care. Once I receive my PHARM.D and license to practice, I plan on working in a community where they strongly need a Spanish speaking pharmacist

WITH YOUR SUPPORT, I CAN...

Receiving this scholarship is such a blessing. For the last 3 years, I have devoted my time towards providing better healthcare for the Spanish speaking patients in Amarillo & Hereford. I volunteer at Heal the City and work at a community pharmacy where majority of patients speak Spanish only. This scholarship will help my financial needs tremendously. I will be able to continue to focus heavily on my school rotations and volunteering with a reduced financial burden. In addition, I am putting together a new rotation for the school of pharmacy in Costa Rica. This scholarship will help with the financial burden associated with housing, food & transportation. This scholarship award will only push me further towards obtaining my doctorate in pharmacy and my dream of one day being an

WHY I CHOSE TTUHSC...

TTUHSC School of Pharmacy's curriculum prepares us with the knowledge, skills and professionalism to be successful in a very competitive field. The skills I have learned can be used in a variety of settings including: community/retail or hospital pharmacy, long term facility or pharmaceutical research. They have multiple campuses including Abilene, Lubbock and Dallas. They have state of the art laboratories and modern simulation centers. They rank in the top 30% as one of the best schools for pharmacy education and clinical training. They require more clinical training than any other school in Texas. I had the opportunity to visit with the faculty and staff during my interview prior to being accepted to this wonderful program. The feeling of belonging to a family and getting excellent support were
