BECAUSE YOU GAVE...

I would like to thank the donor for their contribution for this scholarship. I really appreciate this great effort to support and motivate students in cancer, immunology and infectious research field. This will definitely help students to perform promising research.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me motivate to perform good research in cancer research. I will use the scholarship money to attend conferences to enrich my knowledge in this field.

WHY I CHOSE TTUHSC...

I came to know about TTUHSC from friends and was impressed by the research facilities specially in cancer. I found the graduate program in pharmaceutical sciences very supportive for the international students and decided to apply here.

BECAUSE YOU GAVE...

I would like to express my sincere thanks for your generosity. This is an incredible opportunity for me, and it would not be possible without your willingness to support future pharmacists. Thank you!

WITH YOUR SUPPORT, I CAN...

Receiving this scholarship was a big help toward my education and career. This aid will motivate me to work even harder and will help me afford tuition and necessary supplies.

WHY I CHOSE TTUHSC...

My major reason in choosing TTUHSC above all other universities was the excellence in research and the student-driven community at the school. I am very glad to join this university, and I believe TTUHSC will play a major role in advancing my scientific career.

BECAUSE YOU GAVE...

Thank you for your generosity and for investing in the students of TTUHSC. I am humbled by your efforts to facilitate our development in biomedical sciences research.

WITH YOUR SUPPORT, I CAN...

The funds from this scholarship will help me learn how to use computer programming language to filter and make use of the vast amount of data we are presented with every day in biomedical science research. I am currently enrolled in the professional data science certification program, and this scholarship will go toward earning my certificate.

WHY I CHOSE TTUHSC...

I am a Texas Tech University graduate. The quality of both the people and research drew me to TTUHSC. I know I am getting a superior education, and I am surrounded by what I am convinced are the most friendly and supportive faculty, staff, and students at any institution.

BECAUSE YOU GAVE...

Attending conferences and workshops is very important for all graduate students, as it is an opportunity to showcase research as well as network. This scholarship will be instrumental in helping me to cover travel and lodging expenses for these events. I would like to sincerely thank you for making this a possibility.

WITH YOUR SUPPORT, I CAN...

I will be attending a pharmacokinetics workshop at the Novartis campus in Cambridge, Massachusetts. This scholarship will be very helpful for me in supporting my stay at Cambridge for the workshop, which is an incredible opportunity that would otherwise not have been possible.

WHY I CHOSE TTUHSC...

The TTUHSC Graduate School of Biomedical Sciences in Amarillo consists of a rich mix of principal investigators specializing in cancer, neuroscience, and pulmonary research fields. The facility provides a wonderful collaborative environment that fosters learning and personal growth for all graduate students, post docs, and early career researchers. I personally believe these are the key criteria for all graduate students to improve themselves in order to be successful in their future careers. This compelling combination led me to choose TTUHSC over other schools for my graduate education.

BECAUSE YOU GAVE...

Thanks so much for this scholarship. It is greatly appreciated, and your generosity is an inspiration! It means so much to have support like this in my academic journey.

WITH YOUR SUPPORT, I CAN...

This scholarship will be very beneficial to me as I begin my last year in graduate school. I will be able to purchase much-needed materials to aid during the process of writing my dissertation, some of which will include software and school supplies. Thanks to you, instead of working long hours in the school's library, I can write from the comfort of my own home.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the exciting and groundbreaking research conducted at the school, and because of its successful track record of graduating highly skilled scientists on a yearly basis. The faculty and staff genuinely care for their students and make sure they are successful in their respective fields.

BECAUSE YOU GAVE...

Thank you so much for your generosity! I greatly appreciate your help in furthering my education, and I hope to one day be in a place to give back to students in need.

WITH YOUR SUPPORT, I CAN...

This scholarship will help in furthering my graduate and medical career. It will significantly aid in covering the costs of textbooks, online resources, and professional memberships. I will be able to afford molecular biology guides as well as subscriptions to a variety of online research resources.

WHY I CHOSE TTUHSC...

When I was deciding where to pursue my graduate education, I noticed that the environment at TTUHSC was warm, kind, and welcoming to prospective students. It seemed like the students at the school were genuinely happy to be there, and everyone seemed to get along very well. I was attracted to that kind of collaborative learning and knew it would help me thrive as an aspiring physician-scientist.
