## BECAUSE YOU GAVE...

I cannot thank the donors enough! Since I am not a Texas resident, tuition has been considerably expensive for me. This scholarship awarded me instate tuition, and with everything going on in the world right now, it was such a huge weight off of my shoulders and gave me peace of mind. I am so grateful for the opportunity to represent TTUHSC in the community and the clinic, and I would not be able to do it without the generosity of our donors!

## WITH YOUR SUPPORT, I CAN...

As I finish up my last year of physical therapy school I will be traveling around the country for my clinical rotations. These funds will help with travel expenses, including lodging and gas over the next year! I am so excited to be able to travel for this program and to represent TTUHSC the best that I can.

## WHY I CHOSE TTUHSC...

I chose TTUHSC because of the physical therapists that I met that were graduates of the program. I was so impressed by their knowledge and professionalism that I knew I wanted to be a part of the TTUHSC legacy. I feel so confident in the education that I have received thus far, and know that I am well prepared for my future in the clinic. TTUHSC has opened so many doors for me in my career and I know it will continue to do so in the future.
