School of Health Professions

## BECAUSE YOU GAVE...

I have always wanted to pursue a career in healthcare, but knowing that many of those fields require extra schooling gave me concerns about how to financially support myself. This scholarship will allow me to continue pursuing my goal of becoming an audiologist while alleviating some of the stress surrounding affording it. I am extremely grateful for this generous gift and hope to be able to one day pay it forward as a healthcare provider.

## WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to buy my textbooks for the upcoming semester. This scholarship will also be going toward a security deposit for the apartment that I am moving into. These extra finances will give me peace of mind and less stress about the extra costs coming at the beginning of this semester.

## WHY I CHOSE TTUHSC...

TTUHSC has offered me an excellent opportunity to continue pursuing my goal of becoming an audiologist. By allowing me to work in multiple outside placements, I will be graduating with a well-rounded clinical experience. TTUHSC has also been a very financially wise choice for me by awarding me an in-state tuition waiver.
