BECAUSE YOU GAVE...

Thank you does not seem like enough to express how thankful I am for your generosity in making this scholarship available to students like me. This scholarship will allow me to graduate debt-free from TTUHSC and immediately begin to pour back into my community upon graduation. I will be able to go where the need is without worrying about how I will pay off my school loans. I want to give back by using my skills to lead relief efforts in 3rd world countries. I am so grateful to you for blessing me and my family in this way.

WITH YOUR SUPPORT, I CAN...

This scholarship granted me in-state tuition for the year which is a tremendous financial blessing. It will save me tens of thousands of dollars in tuition this year alone and allow me to graduate debt-free. I plan to use this scholarship to aid with the cost of tuition and fees and this will help me afford to pay my for my own health insurance this year which alleviates a lot of the burden my school costs have had on my parents.

WHY I CHOSE TTUHSC...

I chose TTUHSC because both of my parents are grads from the PT program and the MD program. I've always been a Red Raider and am proud to be apart of such a prestigious institution. What stood out most to me in my first visit to TTUHSC were how much the students loved being apart of the program and how much the faculty invests in their students. These impressions only deepened as I became part of the TTUHSC family. There's nowhere else I could ever imagine myself being and I'm thankful for the way God opened this door of opportunity.
