BECAUSE YOU GAVE...

Thank you so much for this scholarship! I plan to graduation this year with a bachelors in speech on hair and hearing sciences and continue on to grad school to become an SLP. This scholarship will allow me to continue my education at TTUHSC. It will help me to reach my goal of being a SLP-CCC.

WITH YOUR SUPPORT, I CAN...

I plan to use this scholarship to help pay my tuition for my last two semesters of undergrad. I will also use it to help pay for text books which can be very costly. I may also use it to purchase the online things required for class such as master clinician or simucase.

WHY I CHOSE TTUHSC...

My education at TTUHSC is preparing me to be a great speech-language pathologist. I chose TTUHSC because speech Language Hearing and hearing sciences program is taught by clinicians. It is great to learn from people who do the job I want to do everyday. The hands on leading is very beneficial.
