School of Health Professions

BECAUSE YOU GAVE...

I would like to thank you so much for this amazing opportunity. With this scholarship, I have been able to afford the best clinical materials and school supplies. I plan to work in a rural areas to provide audiological care or as a cochlear implant audiologist in New Mexico. This scholarship has help me tremendously and pushes me one step closer to having the career of my dreams.

WITH YOUR SUPPORT, I CAN...

This scholarship has made it possible for me to purchase materials and supplies for clinic. I was able to use the funds from this scholarship to help me buy a personal otoscope and a listening mold. This helped me be more prepared for clinic and provide the best care that I could for patients. Thank you for helping me be the best student I can be.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it was close to home and felt like a place that I could get the best graduate level education. I visited here in 2018 before my graduation at New Mexico State University and it immediately felt like home. Since starting here, I have learned so much and made wonderful memories with my patients, supervisors, and classmates. I have loved my time here at TTUHSC and am so glad that I am here.
