BECAUSE YOU GAVE...

I would like to take this opportunity to thank the amazing donors of this scholarship award. I feel so fortunate and honored to be a recipient and will do my best to continue learning and pursuing my education during my last semester of OT school in the clinic. This scholarship continues to motivate me to complete my degree, learn everything I can and most importantly, care for my patients with respect and compassion each and every day. Thanks to your generous contribution, I will be an occupational therapist soon.

WITH YOUR SUPPORT, I CAN...

With this scholarship I will be able to continue focusing on my masters degree without the financial burden. I will be able to continue paying my tuition and other bills without taking out another loan during my last clinical rotation of school. With these funds I can focus on my education, my patients, and continue learning to be the best OT I can be.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the professors and people that I have been surrounded by here in west Texas. I am so proud to have come here for my masters degree and to have relocated here to west Texas to be a part of this kind and caring Lubbock community. I can't wait to be an OT treating the individuals of this community and giving back to the great people who live here in Lubbock.

BECAUSE YOU GAVE...

I would like to thank you from the bottom of my heart for your generosity. My entire experience at TTUHSC has been an amazing one, and it is all thanks to the amazing professors and staff. I honestly can say that obtaining my MHA from TTUHSC has been one of the best experiences of my life, and I hope that I can one day pay it forward to those in my current situation. Thank you again for your generosity, and I hope we can one day cross paths so I can thank you in person.

WITH YOUR SUPPORT, I CAN...

This scholarship is a blessing to me during this pandemic. I plan to use the scholarship funds to help with my current living expenses. This scholarship is extremely vital to me since I was laid off from my job because of cutbacks due to COVID-19. This scholarship lets me be a better student and not worry so much about my financial situation.

WHY I CHOSE TTUHSC...

I chose TTUHSC because your MHA program was the best fit for me. I wanted to obtain a Masters in a year's time, I was happy the GRE was not a requirement since I had just taken the MCAT, and the in-state tuition was the best option for me compared to other programs I was accepted to. In addition, the ability to be a distant learner was a great fit because I could obtain my degree from the comfort of my home. I loved the entire experience during this program, and the professors are who made it special for me.
