BECAUSE YOU GAVE...

Thank you so much for your generosity. I come from an immigrant family who was not able to help my pay for my education. This required me to take out numerous loans in order to fund my studies so I can fulfill my goals and dreams. This scholarship will allow me to get one step closer to my dream of becoming a pediatric speech-language pathologist and it would not have been possible without the generosity of the donors. Thank you, again.

WITH YOUR SUPPORT, I CAN...

The funds from this scholarship will allow me to pay tuition costs, as well as any other fees required for my degree. I will be able to pay for textbooks, therapy materials, and electronics as needed to successfully serve my patients through my clinical practicum. I will also be able to gain access to professional groups (e.g., NSSLHA, ASHA) which will allow me to access journal articles and relevant research as needed.

WHY I CHOSE TTUHSC...

I chose TTUHSC based on their highly recommended speech-language pathology program. When I chose to become a speech-language pathologist, I knew I wanted the best education possible. After extensive research and many recommendations, I chose TTUHSC. I have completed my undergraduate degree and I am about to complete my graduate degree at TTUHSC. The faculty and staff here have provided me with an education that I would not have gotten elsewhere and thanks to them, I know I will be successful in the workforce.
